Police Less-Work Plea Said 'Direct Slap' at City Council

A reorganized Circleville City Council, meeting last night in Municipal Court chambers with two members assuming seats for the first time, found itself confronted with a new variation of a familiar and thorny problem — police department demands for improved working conditions.

Democrat councilman-at-large Dudley Carpenter termed "a direct slap" at the legislative body a proposed ordinance offered by Councilman John Jenkins and

calling for a 40-hour regular work week for city law officers. Jenkins, chairman of council's safety committee, was rebuffed in his bid to gain formal consideration for the measure when none of his six fellow solons would second a motion to place the issue on the formal meeting agenda. Lack of official standing did not prevent the question from becoming the center of a spirited debate, however.

Carpenter contended it was an

insult to Council to introduce the proposal for shortening the police work week only one meeting after pay boosts averaging about five per cent had been granted on the basis of a 48-hour regular week to police. Other city employees had also received similar increases. The raises had been the source of study covering more than five months by Council.

BOTH JENKINS and Chief of Police Robert Temple cautioned the lawmakers the policemen intended to "go before the people at the next election" if Council failed to act. Temple stressed he and his force wished no ill feeling to spring from the request. He stated he "would like to see a shorter week for men and by the same token see Council have the means to do this."

Chief Temple added he was "on (Continued on Page 2)

Once Around Roundtown

MOST RELAXED man by his appearance at the first City Council meeting of 1962 last night was Democrat Dudley Carpenter, tanned and rested after a holiday pleasure junket to Florida's sunny shores.

ALSO TAKING his leisure during the organizational meeting of Circleville's legislative branch was new Mayor Richard Penn, viewing proceedings from outside the Municipal Court chambers railing after serving as Council President. Penn, his broad smile encircling a cigar, spoke in optimistic tones of tentative plans for improving the city's administration. He and Ronald M. Sharrett a graduate engineer soon to take office as Service Director, are studying plans to expedite work as efficiently as possible.

BEGINNING to show up in back yards and alleys throughout Circleville—all those Christmas trees that only a few short days ago epitomized the glitter and gaiety of the Yuletide season.

Most ornaments are packed away in attic corners for another 12 months and the pines, furs and spruce look just a bit lonely after having done their work so well.

NOBODY ASKED, but we have a nomination for the most unusual sound in town.

On a silent night, given wee hours and crisp air, the rows of parking meters lining downtown streets tick-tock a metallic melody all their own. You don't have to listen too hard, either.

TED LEWIS expressed his usual greetings and best wishes to Circleville New Year's night. The famed maestro, currently on a stand at the Edgewater Beach Hotel in Chicago, phoned Ben Gordon to convey his yearly message.

Ted has a four-week engagement in Chicago, according to Gordon. Later in the spring he is scheduled for an appearance at the Mar- amor in Columbus.

Kennedy Due In Columbus For 4 Hours

COLUMBUS, Ohio (AP)—President Kennedy will be in Columbus a little more than four hours Saturday for his appearance at Gov. Michael V. DiSalle's birthday dinner, his unofficial and tentative schedule indicated today.

Miss Mildred Cunningham, the governor's personal secretary, said the best information available now is that the President will arrive in Columbus from Palm Beach by jet between 5:30 and 6 p.m. Saturday.

Present plans call for him to go to the Governor's Mansion briefly, then go to the Buckeye Building on the Ohio State Fairgrounds about 7 p.m. He is scheduled to address the \$100-a-plate dinner gathering about 8:30 p.m. The President plans to leave Columbus after the program.

Democratic State Chairman William L. Coleman estimates the crowd for the dinner celebrating DiSalle's 54th birthday at between 2,000 and 3,000.

Miss Cunningham said the President's remarks will be telecast by video tape immediately after the Ohio State-Northern basketball game by WLWT, Cincinnati, WLW-D, Dayton, and WLW-C, Columbus.

EXPLORATORY TALKS — U. S. Ambassador Llewellyn Thompson (left) and his assistant, Kempton Jenkins, leave the Russian foreign ministry after opening talks with the Soviet government on the international situation. Thompson held a 2-1/2 hour conference with Foreign Minister Andrei Gromyko.

No Sudden Change Is Seen In Kremlin View on Berlin

WASHINGTON (AP) — Preliminary reports indicate Soviet Foreign Minister Andrei A. Gromyko did not offer any new Kremlin position on Berlin in his conference with U.S. Ambassador Llewellyn Thompson, informed sources say. But a sudden change had not been expected.

The officials said they expect Thompson will be instructed to meet Gromyko again fairly soon in an effort to find a solution to the explosive problem.

President Kennedy, who was kept informed in Palm Beach, Fla., of the Moscow developments was described as believing it important to keep open the diplomatic contact with the Russians. Thompson's first dispatch was said to have been a brief resume of Tuesday's initial conversation. A lengthier account was expected to be available today.

State Department officials intended to study it carefully for any slight change in Gromyko's position which might point the way toward a new approach to

the seemingly deadlocked dispute.

After Thompson's complete report has been gone over thoroughly new instructions will be dispatched to him on undertaking a follow-up session with Gromyko.

Gromyko's reported reiteration of the Kremlin line on Berlin did not come as any big surprise here.

The pattern of discussions with the Soviets in the past is that at the outset both sides expound their known positions.

Thompson himself was under instructions to repeat the Western determination to stand firm on its rights in Berlin.

Mother of 3 Murdered in Swank Home

PACIFIC PALISADES, Calif. (AP)—Police sought clues today in the mysterious slaying of a pretty young socialite who was brutally beaten in her \$100,000 home and then dumped into a water-filled tub.

Doris June Bowman, 32, willowy honey-blond mother of three and a community leader in this swank Southern California seacoast town was found dead Tuesday. She was the wife of Dr. Frank Potter Bowman, 39, medical director for the Southern California Edison Co.

A neighbor who brought one of Mrs. Bowman's children home from nursery school shortly after noon found her fully clothed body in the tub. Dr. Bowman was summoned home from his office in downtown Los Angeles.

Police said an intruder apparently hit Mrs. Bowman several times with a blunt object, dragged her 40 feet from the kitchen into the bathroom and put her body in the tub. She was wearing blue capri pants and a black blouse.

Investigators said the house was not ransacked. Bloodstains and fragments of teeth found in the house showed that Mrs. Bowman had battled for her life. Bloodstains on the bathroom basin indicated the killer took time to wash before fleeing. Blood smudges were found in several places, including near the front door.

A watch on Mrs. Bowman's wrist was stopped at shortly after 10 o'clock. Neighbors said they had seen no strangers during the morning, nor had they heard any sounds of a struggle in the house. The doors were locked and there was no evidence of forced entry.

There was speculation that Mrs. Bowman may have surprised a prowler bent upon burglary but homicide Sgt. Virgil A. Peterson, in charge of the investigation, commented: "We have no leads, no suspects and can find no motive for the crime."

Record at Zoo — **CLEVELAND (AP)**—A record 672,531 persons visited the Cleveland Zoo last year. This was just 22 more than the previous high in 1957, when turnstiles were installed so the zoo could keep accurate attendance records.

Armed Forces Unity Sought

Two More Divisions In Buildup Planning

PALM BEACH, Fla. (AP)—President Kennedy ordered today the immediate formation of two new Army divisions, expanding the service to 16 permanent divisions.

The Palm Beach White House said the activation of the two divisions would permit the release "later this year," with no time specified, of the 32nd and 49th National Guard Divisions which were called to duty last Oct. 15 in the armed forces buildup precipitated by the Berlin crisis.

One of the new regular divisions, the 1st Armored, will be activated at Ft. Hood, Tex. The other, the 5th Mechanized Infantry will be organized at Ft. Carson, Colo.

White House press secretary Pierre Salinger said Kennedy approved the action at meetings Tuesday and this morning with Vice President Lyndon B. Johnson and the nation's top defense officials.

He said it was the first item of business on this morning's agenda, after the joint chiefs of staff flew into Palm Beach from Washington for the preparedness talks.

Qualified sources said the two National Guard divisions summoned to duty should not anticipate returning home for at least several months. The 32nd of Wisconsin, is training at Ft. Lewis, Wash., and the 49th of Texas, at Camp Polk, La.

Kennedy called the Joint Chiefs of Staff from Washington to join preparedness discussions that began Tuesday in the spacious living room of the beachfront estate where he has been spending the Christmas-New Year's holidays.

White House press secretary Pierre Salinger said the conferences would explore "the operational and strategic outlook for 1962."

Vice President Lyndon B. Johnson, Secretary of Defense Robert S. McNamara, Deputy Secretary Roswell L. Gilpatrick and Gen. Maxwell D. Taylor, Kennedy's personal military adviser, already were on hand.

At the start of the defense survey Kennedy went over the entire Army structure with Johnson, McNamara, Gilpatrick and Taylor.

They reportedly are trying to hit on a more efficient combat organization, one which would embrace the regulars, the National Guard divisions and the reserves.

Placing five additional divisions in combat-ready status is part of Kennedy's program for building up the armed forces.

It was announced that Kennedy would visit Mexico some time this year. It was believed he will make the trip within the first six months of 1962, probably in the spring.

Kennedy passed up his customary cruise on the presidential yacht Honey Fitz but Salinger said he was thinking of taking the defense officials for a cruise today on Lake Worth.

Between conferences, Kennedy drove to St. Mary's Hospital in neighboring West Palm Beach to call on his ailing father, Joseph P. Kennedy. He spent about half an hour with the former ambassador who is recuperating from a stroke.

The President's two children, John Jr. and Caroline, were taken by their mother to visit the elder Kennedy.

Goldfine Secretary Starts Jail Term

BOSTON (AP)—Mildred Paperman, secretary of Bernard Goldfine, Boston industrialist, started a 30-day jail sentence today for smuggling letters to the ailing industrialist.

Miss Paperman, 42, admitted the delivery of letters to Goldfine while he was serving a one-year sentence for income tax evasion in the federal correctional institution at Danbury, Conn.

Goldfine is now at the U.S. Public Health Service Hospital, Staten Island, N.Y., where he was transferred after suffering a cerebral thrombosis.

Kennedy Seeking Bipartisan Support

WASHINGTON (AP) — President Kennedy plans to sit down with leaders of both parties early next week to seek bipartisan support for some of the major proposals he will lay before Congress.

Chief topic at a breakfast now being arranged by the White House will be the President's forthcoming request for broad executive authority to negotiate tariffs in dealing with the European Common Market.

Kennedy hopes for Republican as well as Democratic backing for this program. He also wants to enlist broad support for foreign aid, an issue sharpened by developments in India and the Congo.

The President apparently feels,

too, that there is some basis to believe that he can get some Republican aid in his efforts to get Congress to approve a program of medical care for the elderly, financed through the Social Security System.

Kennedy's move to bring the Republicans in for a chat indicates that, despite the approaching congressional elections of November, he would like to avoid a cat-and-dog political fight in the new session of Congress.

House Minority Leader Charles A. Halleck of Indiana has given no sign that he would be a party to any peace pact with the Democrats.

Even if the President gains some bipartisan support, Sen. Hubert H. Humphrey, D-Minn., predicted in an interview that the biggest fight of the new session will come over the international trade program.

Humphrey, the assistant Senate Democratic leader, served notice that he is not satisfied with the way things are going now in American dealings with the Common Market nations.

"I don't think the State Department experts are protecting the agricultural interests of this country," he said. "The French and the Germans are getting together on proposals to keep U.S. exports out of the market. Our farmers are getting dealt out."

Humphrey said that products which may be shut out of the Common Market unless some steps are taken swiftly include rice, vegetable oils, feed grains, wheat, citrus and poultry. He noted that U.S. exports of farm products to Western Europe reached \$2 billion last year.

In another interview, House Majority Leader John W. McCormack, D-Mass., said he expected early congressional action on Kennedy's tariff proposals.

Committees Named for New Council

New City Council President Harold Clifton, who replaces Mayor Richard Penn in the chair, started the legislative ball rolling for 1962 with the appointment of members for five Council committees last night.

Named to head the important finance committee was Councilman Dudley Carpenter, with Charles Kirkpatrick and Joe Bell as members. Bell will direct activities of the service and utilities committee, with Councilmen John Jenkins, Kirkpatrick and Robert Hedges as members.

Jenkins is to chair the safety, health, railroads, public parks and municipal court panel. Other members are Dr. Robert Smith, in his first term, and veteran council figure Boyd Horn. Dr. Smith and Carpenter make up the police pension fund committee. Horn and Hedges hold similar committee assignments for the firemen's pension fund.

Robert J. Shadley, 324 E. Mount St., begins his fifth year as Clerk of Council. The first ordinance passed by the new lawmaking body continued Shadley's employment until Jan. 2, 1964, at a salary of \$900 per year.

THE CLERK and all members of Council took their official oath of office from City Solicitor Kenneth Robbins.

Charles W. Kirkpatrick was unanimously elected President Pro Tempore for the next two years. He will preside at Council meetings in the absence of President Clifton.

Kelly To Be Candidate — **CINCINNATI (AP)**—Atty. William C. Kelly, 39, who served three terms as a Republican on City Council before bowing out to attend to business matters, has taken out petitions for the GOP nomination to seek Ohio's 1st Congressional District seat.

Kelly is aiming for the post held by veteran Republican Gordon Scherer who announced earlier he would not seek re-election.

U2 Crashes, Pilot Saved

Plane Similar to One Downed in Russia

PICAYUNE, Miss. (AP) — An Air Force rescue team plucked U2 pilot Charles Stratton from a cypress tree in snake-infested swamplands near Picayune today.

Stratton, 32, an Air Force captain, was taken by ambulance to Keesler Air Force Base at Biloxi, Miss., 60 miles east of Picayune. The Air Force clamped a tight secrecy lid over his removal from the swamp. His condition was not immediately determined.

Stratton's home is Detroit, but he lives at Del Rio, Tex., with his wife and two children.

Search teams continued to hunt through the swampy area west of Picayune on the Louisiana-Mississippi border for the wreckage of the single-seater U2, similar to the plane which was downed over the Soviet Union in 1960 and created an international incident.

Capt. William N. Orr, deputy public information officer at Keesler, said the U2 was attached to the 4080th Strategic Wing at Laughlin AFB. It was on a flight from Del Rio to Birmingham, Ala., and return.

The plane, in flames, crashed about 9:30 p.m. Witnesses reported seeing the fiery crash from as far away as New Orleans — 75 miles south-southwest of Picayune.

The U2, a high-altitude plane, became involved in a dispute between the United States and Soviet Union in May 1960 after Francis Gary Powers was downed over the Soviet Union. He was tried for espionage and is imprisoned in the U.S.S.R.

Stratton and Powers, a former Air Force officer, are friends.

U.S. Ambassador Meets Laos Regent

VIENTIANE, Laos (AP)—U.S. Ambassador Winthrop Brown called on King Savang Vatthana today. It was assumed Brown appealed to the king to urge Prince Boun Oum's right-wing government to give ground to make possible a coalition of Laos' three factions.

Brown requested the audience with the king after what informed sources said was a stormy session with Vice Premier Gen. Phoumi Nosavan on New Year's Day.

The sources said the Vientiane strong man angrily rejected an American demand that he yield on his demand that the key portfolios of defense and interior be given to the right wing in a coalition.

Neutralist Prince Souvanna Phouma wants the posts for his central group and has the support of Western countries. Diplomats consider that otherwise the pro-Communist Pathet Lao never would agree to a coalition.

REA Loan Approved

WASHINGTON (AP) — The Rural Electrification Administration approved a loan of \$364,000 Tuesday to the Lorain-Medina Rural Electric Cooperative of Wellington, Ohio.

School Board Moves Junior High Classes

The City Board of Education, in its first meeting of the new year last night, approved two major changes in educational operations for Circleville's school system.

Under a plan, winning board approval, Junior high school functions at Corwin St. School will cease at the end of this school term. The seventh grade will move to the improved S. Court St. School with John Chilcote going along as principal.

Eighth grade students are to be placed in the high school building under principal Richard Snouffer, making CHS a five-year operation.

Mrs. Lyman Penn, temporary principal at S. Court St. School will be replaced during the move. The Corwin St. building will continue as an elementary operation with a principal yet to be employed.

CIRCLEVILLE schools will have, for the first time, according to Superintendent George Hartman, a complete special education program with the addition of courses for students in the 12-16 age range.

Previously only courses had been offered to the eight through 12 bracket. Handicraft as well as academic courses under special supervision is scheduled for the expanded program.

Mrs. Sharon Roof was named Hartman's secretary as Miss Mary Ellen Rader was advanced to clerk of the school board.

Virgil Cress, former clerk, becomes the school system's business manager under the new setup.

McCloy in Berlin For Short Stay

BERLIN (AP) — John J. McCloy, former U.S. higher commissioner in Germany, arrived unheralded for a one-day visit to Berlin today at a time of deadlock between Soviet and American commandants in this divided city.

East German Communists are still insisting that U.S. civilian officials entering East Berlin identify themselves to East German police. Because of the insistence, Maj. Gen. Albert Watson II, the U.S. commandant, canceled a meeting last month with Col. Andrei I. Solovyev, the Soviet commandant.

Later, the United States barred Solovyev and his chief aide from the American sector. The British and French commandants have not followed the U.S. lead.

Shortly after McCloy's arrival, a U.S. mission spokesman said: "We do not intend to permit our rights to be interfered with, nor will we allow improper treatment of our representatives."

He said Soviet replies to American protests were wholly unsatisfactory.

New York Bus Firm Faces Franchise Loss

NEW YORK (AP) — The city's largest private bus company is threatened with the loss of franchises for many of its routes unless settlements are reached today in a strike of 6,400 employees.

Mayor Robert F. Wagner set the deadline Tuesday for Fifth Avenue Coach Lines Inc. to accept the city's "final" offer of financial relief and come to terms with the striking Transport Workers Union.

Otherwise, he said, "we will begin to look around for other companies to operate these lines."

To date, city transit facilities and the private lines that weren't struck have handily absorbed the 1.3 million daily fares normally carried by Fifth Avenue and its subsidiary, Surface Transit, Inc.

Most schools, which opened an hour late Tuesday, were ordered back on normal schedules today.

The strike, which affects bus routes in Manhattan, the Bronx and adjoining Westchester County now is in its third day. It is the first bus strike here in nine years.

The major stumbling block to ending the strike has been the line's hesitancy to accept the city's offer of concessions that would amount to about \$4.5 million a year for the next two years.

Torchy Couple

LEEDS, England (AP)—Circus fire-eater Priscilla Birt, 34, has announced her engagement to the circus fireman, George Maddocks.

"George has never been called to me professionally," Priscilla said. "He always watches my act, but he doesn't have to. He just likes to see me perform."

RECORD AT ZOO — A record 672,531 persons visited the Cleveland Zoo last year. This was just 22 more than the previous high in 1957, when turnstiles were installed so the zoo could keep accurate attendance records.

Kennedy Seeking Bipartisan Support

WASHINGTON (AP) — President Kennedy plans to sit down with leaders of both parties early next week to seek bipartisan support for some of the major proposals he will lay before Congress.

Chief topic at a breakfast now being arranged by the White House will be the President's forthcoming request for broad executive authority to negotiate tariffs in dealing with the European Common Market.

Kennedy hopes for Republican as well as Democratic backing for this program. He also wants to enlist broad support for foreign aid, an issue sharpened by developments in India and the Congo.

The President apparently feels, too, that there is some basis to believe that he can get some Republican aid in his efforts to get Congress to approve a program of medical care for the elderly, financed through the Social Security System.

Kennedy's move to bring the Republicans in for a chat indicates that, despite the approaching congressional elections of November, he would like to avoid a cat-and-dog political fight in the new session of Congress.

House Minority Leader Charles A. Halleck of Indiana has given no sign that he would be a party to any peace pact with the Democrats.

Even if the President gains some bipartisan support, Sen. Hubert H. Humphrey, D-Minn., predicted in an interview that the biggest fight of the new session will come over the international trade program.

Humphrey, the assistant Senate Democratic leader, served notice that he is not satisfied with the way things are going now in American dealings with the Common Market nations.

"I don't think the State Department experts are protecting the agricultural interests of this country," he said. "The French and the Germans are getting together on proposals to keep U.S. exports out of the market. Our farmers are getting dealt out."

Humphrey said that products which may be shut out of the Common Market unless some steps are taken swiftly include rice, vegetable oils, feed grains, wheat, citrus and poultry. He noted that U.S. exports of farm products to Western Europe reached \$2 billion last year.

In another interview, House Majority Leader John W. McCormack, D-Mass., said he expected early congressional action on Kennedy's tariff proposals.

U2 Crashes, Pilot Saved

Plane Similar to One Downed in Russia

PICAYUNE, Miss. (AP) — An Air Force rescue team plucked U2 pilot Charles Stratton from a cypress tree in snake-infested swamplands near Picayune today.

Stratton, 32, an Air Force captain, was taken by ambulance to Keesler Air Force Base at Biloxi, Miss., 60 miles east of Picayune.

The Air Force clamped a tight secrecy lid over his removal from the swamp. His condition was not immediately determined.

Stratton's home is Detroit, but he lives at Del Rio, Tex., with his wife and two children.

Search teams continued to hunt through the swampy area west of Picayune on the Louisiana-Mississippi border for the wreckage of the single-seater U2, similar to the plane which was downed over the Soviet Union in 1960 and created an international incident.

Capt. William N. Orr, deputy public information officer at Keesler, said the U2 was attached to the 4080th Strategic Wing at Laughlin AFB. It was on a flight from Del Rio to Birmingham, Ala., and return.

The plane, in flames, crashed about 9:30 p.m. Witnesses reported seeing the fiery crash from as far away as New Orleans — 75 miles south-southwest of Picayune.

The U2, a high-altitude plane, became involved in a dispute between the United States and Soviet Union in May 1960 after Francis Gary Powers was downed over the Soviet Union. He was tried for espionage and is imprisoned in the U.S.S.R.

Stratton and Powers, a former Air Force officer, are friends.

U.S. Ambassador Meets Laos Regent

VIENTIANE, Laos (AP)—U.S. Ambassador Winthrop Brown called on King Savang Vathana today. It was assumed Brown appealed to the king to urge Prince Boun Oum's right-wing government to give ground to make possible a coalition of Laos' three factions.

Brown requested the audience with the king after what informed sources said was a stormy session with Vice Premier Gen. Phoumi Nosavan on New Year's Day.

The sources said the Vientiane strong man angrily rejected an American demand that he yield on his demand that the key portfolios of defense and interior be given to the right wing in a coalition.

Neutralist Prince Souvanna Phouma wants the posts for his central group and has the support of Western countries. Diplomats consider that otherwise the pro-Communist Pathet Lao never would agree to a coalition.

REK Loan Approved

WASHINGTON (AP) — The Rural Electrification Administration approved a loan of \$364,000 Tuesday to the Lorain-Medina Rural Electric Cooperative of Wellington, Ohio.

Kelly To Be Candidate

CINCINNATI (AP)—Atty. William C. Kelly, 39, who served three terms as a Republican on City Council before bowing out to attend to business matters, has taken out petitions for the GOP nomination to seek Ohio's 1st Congressional District seat.

Kelly is aiming for the post now held by veteran Republican Gordon Scherer who announced earlier he would not seek re-election.

Atty. Gen. Kennedy Pleased With Fight against Crime

WASHINGTON (AP) — One of Robert F. Kennedy's biggest satisfactions in his first year as attorney general came from "hitting the big-time operators of organized crime in their bankroll," he said today.

The bankroll, he emphasized in an interview, consists of receipts from gambling.

Another source of pleasure in 1961, Kennedy said, was Justice Department activity to protect the rights of Negroes.

He said he was also pleased

with the work of his 31,000-member department in enforcing anti-trust laws and in less publicized fields ranging from tax law enforcement to representing the government in Indian claim cases.

The organized crime and civil rights fields were considered important enough to merit separate year-end reports to President Kennedy.

The attorney general cited the enactment of new antitrust legislation and the creation of an intelligence unit within the department's criminal division as major developments in the fight against crime.

One new law makes it a felony to transmit bets by interstate wire. Kennedy said this forced the majority of the nation's leading race wire services—basic to the operation of gambling syndicates—to close down. Among the casualties, he said, were two kings in the business, Nola News of New Orleans and Athletic Publications of Minneapolis.

Other new legislation bans interstate operations in transporting gambling material—including numbers slips, travel for criminal purposes and carrying weapons interstate after conviction of a felony.

New Officials Assume Duties For Chamber

The Circleville Area Chamber of Commerce Board of Directors held a noon luncheon meeting yesterday at Benny's Restaurant, Court and Main Sts.

Charles Schieber, president, welcomed three new members to the Board of Directors. They are George Fuhrman, Dave Goldschmidt and Paul Smallwood.

William Stout, president of the Junior Chamber, gave a final report on the Santa Claus project. He stated that over 5,000 pieces of candy were distributed to children at the Santa Claus Headquarters sponsored by local merchants and headed by the local Jaycee unit.

Link Mader, chairman of Committee on Committees, announced the following committee chairman appointments for the year:

CITY Planning, R. L. Brehmer Jr.; **Public Affairs**, Larry Varble; **Program**, David Goldschmidt; **Industrial Development**, Eldred Parsons; **Congressional Action**, E. G. Grigg; **Retail Merchants**, Nat C. Lefko; **Safety Committee**, Charles Brackets; **Business Education**, Howard Smith; **Agriculture**, Russ Palm; **Program of Work**, Charles Schieber, Dave Yates, Mrs. Tom Bennett; and **Public Relations**, Paul Smallwood.

It was announced that an invitation had been received from the County Extension Office to an informative meeting which will be held at 8 p. m. January 10, in the Methodist Church.

Probate Judge Guy Cline and Prosecutor Robert Huffer will speak on "Wills—Their Importance in Family Security."

Judge Levies Many Fines On Speeders

Speeders cited by the Ohio Highway Patrol headed a long list of cases handled yesterday in Circleville Municipal Court in one of the busiest weekend dockets on recent court record.

Arrested by the Patrol were: John Wade Milhoan, 23, of Gallipolis, \$12 and costs for speeding 72 miles per hour in a 60 mile zone;

Rodney Taylor, 22, of Detroit, Mich., \$15 and costs for speeding 75 miles an hour in a 60 mile zone; Marie Kehrer, 46, of Minneapolis, Minn., \$11 and costs for speeding 71 miles an hour in a 60 mile zone;

Fay O. Beam, 58, and Max Lee Smith, 26, of Forest City, N. C., each fined \$25 and costs for having no license plates.

Glen Roberts, 18, of Richlands, Va., \$15 and costs for speeding 75 miles an hour in a 60 mile zone;

Melvin D. Jones, 25, of Westerville, \$12 and costs for speeding 72 miles an hour in a 60 mile zone;

John Lamm, 31, of Mt. Gilead, \$20 and costs for speeding 70 miles an hour in a 50 mile zone;

Louis Smeltzer, 37, of Canton, \$15 and costs for speeding 65 miles an hour in a 50 mile zone;

Ted F. Wojtasik, 33, of Chagrin Falls, \$20 and costs for speeding 70 miles an hour in a 50 mile zone;

Robert W. Grey, 41, of Columbus, \$15 and costs for speeding at 65 miles an hour in a 50 mile zone;

Mason Cooley, 24, of Covington, Ky., \$20 and costs for speeding 80 miles an hour in a 50 mile zone;

Rush H. Workman, 23, of Columbus, \$12 and costs for speeding 72 miles an hour in a 60 mile zone;

Velma R. Van Voorst, 55, of Columbus, \$16 and costs for speeding 76 miles an hour in a 60 mile zone;

Frederick H. Stewart, 37, of Grosse Pointe Shores, Mich., \$15 and costs for speeding 75 miles an hour in a 60 mile zone;

Earl Zane Topping, 28, of Obetz, \$11 and costs for speeding 71 miles an hour in a 60 mile zone;

Henry Cokes, 27, of Cleveland, \$30 and costs for speeding 90 miles an hour in a 60 mile zone;

Suzanne Todd, 44, of Huntington, W. Va., \$10 and costs for speeding 70 miles an hour in a 60 mile zone;

Carl W. Blevins, 40, of Olive Hill, Ky., \$12 and costs for speeding 72 miles an hour in a 60 mile zone;

Bennie B. Griffith, of Route 4, Circleville, \$15 and costs for failure to obey a stop sign.

CITED BY City Police and fined in Municipal Court by Judge Sterling Lamb were: Marvin E. Stout, 19, of Route 2, Circleville, \$10 and costs for failure to obey a stop sign and Charles Keaton of 426 E. Union St., \$25 and costs with \$15 suspended and one year probation for disorderly conduct.

Shirley Ann Gooley, 22, of New Holland was fined \$10 and costs for failure to yield the right of way and failure to obey a stop sign. She was cited by the Pickaway County Sheriff's Department.

Deaths

MRS. EDITH FOSNAUGH Mrs. Edith M. Fosnough, 76, formerly of Stoutsville, died at 11:45 a. m. yesterday in University Hospital, Columbus.

She was born March 26, 1885, in Hocking County, the daughter of Henry and Mary Jane Murrette Wynkoop, and was the widow of Homer Fosnough.

Mrs. Fosnough is survived by a daughter, Mrs. Louise Byers, Columbus; one grandchild; four great-grandchildren; three brothers, Turney Wynkoop, Ashland; Ramey Wynkoop, Delaware; and Angus Wynkoop, Stoutsville; and a sister, Mrs. Winnie Burns, Lancaster.

She was a member of the Stoutsville Lutheran Church and the Pythian Sisters of Stoutsville. Services will be at 2 p. m. Friday in the Stoutsville Lutheran Church with the Rev. Ronald Brant officiating. Burial will be in Maple Hill Cemetery by the Defenbaugh Funeral Home.

Friends may call at the Schoedinger State Street Chapel, Columbus, from 2 p. m. tomorrow and at 1 p. m. Friday at the church.

Police . . .

(Continued from Page 1) a fence" about the issue. He noted local policemen had been seeking a shorter regular week informally for a full year.

City Solicitor Kenneth Robbins commented he believed such a decrease in hours worked would mean police would take an automatic 20 per cent pay reduction, under provisions of the ordinance covering wages passed last meeting by Council. Robbins said he doubted police were aware this would be the case under the current 48-hour week plan.

Temple, only representative of the police department attending the session, added he wished to conform to Council's wishes and at the same time have his men fairly treated.

The proposal may be re-introduced at a later Council meeting. If it gains insufficient support a strong probability exists some form of the question will appear on a ballot during elections this year.

In action taken by Council last night:

THE SERVICE director was authorized by unanimous vote to contract with the Columbus and Southern Ohio Electric Co. for the installation of a street light at the intersection of Lewis Ave. and the first parallel alley east of N. Court St. Councilman Joseph Bell, service and utilities committee chairman, endorsed the fixture as "definitely needed" before Council gave its approval under a rules suspension.

Land owned by Russel and Elsie Williams along Hargus Creek was ordered appropriated at fair prices as an easement for a sewer line. The strip, 10 feet wide, runs between Route 22-E and a station in Ted Lewis Park.

The City Solicitor was authorized under a resolution to incur expenses at the rate of 15 cents per mile for operation of his automobile plus meals and lodging away from his home when traveling to obtain signatures for easements from property owners living beyond the city limits.

Solicitor Robbins explained to Council several persons owning land needed for new sewage projects do not live in Circleville. In most cases their signatures are required before work can proceed.

Game Warden Named Here

Hayden Olds, chief of the Ohio Division of Wildlife, announced today the appointment of Don Davis, formerly of Sandusky, as Game Protector for Pickaway County.

Davis replaces R. D. Kreis, 432 E. Franklin St., who has been transferred to the Sandusky area.

The new Game Warden for this area, prior to his appointment, was the district fish production foreman for the ODW.

He completed the divisions' training school in 1957 and upon graduation, started to work with the fish management section in Sandusky.

IN 1959 he entered military service for a two-year period. When he returned in 1961 he was reassigned to the Sandusky district, until his transfer here.

Davis is married and the father of two children. They will reside at 529 N. Court St.

The supervisor of District No. 5, including Pickaway County, is William B. Hendershot, Chillicothe.

Scout Leaders To Be Handed Yearly Reports

Roundup reports on operations in 1961 combined with a thorough look at several important future activities form the agenda for a Pickaway Scout District executive committee meeting tomorrow at 7 p. m. in the Trinity Lutheran Church Parish House.

C. W. Winner will outline the annual advancement report while Dan Crabtree is slated for progress reports on three new county troops and the reorganization of two other units. Announcements on upcoming leader and Scout training programs are to be presented by Joe Bell.

The finance report, with emphasis on progress in building the district's Camp Development Fund, has been prepared by Earl Palm. Ed Ebert will summarize the year-end Commissioners' Report.

Harry Diehl, district chairman, has urged all members to attend the session to open the new Scout year on a promising note.

General advisors' survey statements on membership, Boy's Life, and other divisions at the close of 1961 are to be reviewed by district representative James Phillips.

Dr. and Mrs. William Walter, Boston, Mass., are the parents of a daughter, Kimberly Lane. Mrs. Walter is the former Marlene Mancini of Circleville.

Sportsmen Group Elects Officers

Dr. H. W. Fraas, Route 1, Ashville, was elected president of the Pickaway Farmers' and Sportsmen's Association during the group's annual banquet and election of officers held recently at the fairgrounds coliseum.

Other officers elected were: W. G. Richards, vice president; Robert Rader, treasurer; and Bob Wolf, secretary and license agent.

Five directors for 1962 terms were also elected during the recent meeting. They were: Alfred Gabriel, Darrell Hatfield, Lawrence Liston, Wayne Rhoads and E. F. Owens.

Dick E. Redman was elected secretary of the Rifle and Pistol Club of the association.

Bob Wolf, secretary, announced today that plans have been completed for the group to sponsor a program, scheduled for February 12, entitled a "Wally Taber Safari Saga."

Tickets will be available from members in the near future, Wolf added.

The primary purpose of soil testing is to supply individual farmers with information on the lime and fertilizer requirements of their fields.

Author-Traveler To Speak At Annual Chamber Meeting

John Noble, author of "I Was A Slave In Russia" and "I Found God In Soviet Russia," will be the featured speaker at the annual meeting of the Circleville Area Chamber of Commerce.

The yearly event, open to the public, will be held at 6:30 p. m. Tuesday, January 16, in the Service Center of the First EUB Church. Reservations may be made by calling GR 4-4923; the deadline is Tuesday, a Chamber spokesman said.

Noble, a 35 year-old American, spent 9 1/2 years in Russian prison camps. To keep his promise to those who were left behind in prison camps, Noble has traveled over 300,000 miles telling the story of his imprisonment and has written two books on his experiences. Both of his books were recently awarded the American Heritage and Freedoms Book Award.

Noble has appeared before several Congressional committees in briefing sessions. His story has been in several national magazines, leading newspaper columns and dramatized in a full hour television presentation.

AT THE annual meeting here, Noble will tell how he and his family were trapped in Germany during World War II. His father owned factories in Germany and Czechoslovakia, but were placed under house arrest by the Nazis until 1945.

He was shuttled from Dresden prison to Muhlberg, Buchenwald and finally ended up in Vorkuta, 50 miles above the Arctic Circle.

While at Vorkuta, Noble kept as active as possible to escape the numbing of boredom and became proficient in the Russian language. This study opened opportunities to discussions of the Soviet way of life.

Contrary to some of the stories told by returning tourists, Noble tells of a face of Russia that is dramatically different. While speaking in Detroit a short time ago he was handed a note relayed from a friend still behind the Iron Curtain, stating "Nothing has changed since you left."

Atty. Gen. Kennedy Pleased With Fight against Crime

WASHINGTON (AP) — One of Robert F. Kennedy's biggest satisfactions in his first year as attorney general came from "hitting the big-time operators of organized crime in their bankroll," he said today.

The bankroll, he emphasized in an interview, consists of receipts from gambling.

Another source of pleasure in 1961, Kennedy said, was Justice Department activity to protect the rights of Negroes.

He said he was also pleased

Britain Plans To Nix Claim By Guatemala

LONDON (AP)—Britain is planning another sharp informal rejection of Guatemala's claim to British Honduras—coupled with a public offer to discuss a solution of the century-old territorial dispute.

Informal sources said the British offer to talk is intended to counter threats by President Miguel Ydigoras Fuentes to break diplomatic ties with Britain and to expel all British nationals unless the Guatemalan claim to British Honduras is recognized.

The Foreign Office so far has refrained from making any formal comment on Ydigoras' warnings. Informants expressed belief the Guatemalan leader has suddenly revived the territorial issue to divert attention from domestic difficulties.

Ydigoras reportedly said he would take the drastic step of breaking with Britain because of lack of progress towards a settlement. British officials say an offer to negotiate made by London two months ago still has not been picked up by Guatemala.

British Honduras, a colony of less than 9,000 square miles with a multiracial population of 90,000, has been a source of dispute with its neighbor to the west since 1853.

Guatemala is not the only country claiming the timber-sugar-citrus producing colony on the eastern seaboard of Central America. Mexico, to the north, tacitly accepts British sovereignty but has insisted that it will be entitled to take over part of the country if there is any change of ownership.

An 1859 British-Guatemalan treaty laid down the frontier between Guatemala and British Honduras.

Police To Charge Carpenter with Metal Firm Entry

Charges were scheduled to be filed late today by the Circleville Police Department against Frank Vandagriff, 347 1/2 E. Main St., for a breaking and entering incident July 8 at the Circleville Iron and Metal Co., 520 S. Clinton St.

Vandagriff, a carpenter, has already been charged with a burglary at the Risch Drug Store on N. Court St. He was arrested in Zanesville several weeks ago on a concealed weapons charge and returned to the Pickaway County jail later.

Charges will be entered by County Prosecutor Robert H. Huffer.

Pets are living about five years longer on the average than they did 30 years ago.

Judge Levies Many Fines On Speeders

Speeders cited by the Ohio Highway Patrol headed a long list of cases handled yesterday in Circleville Municipal Court in one of the busiest weekend dockets on recent court record.

Arrested by the Patrol were:
John Wade Milhoan, 23, of Gallipolis, \$12 and costs for speeding 72 miles per hour in a 60 mile zone;

Rodney Taylor, 22, of Detroit, Mich., \$15 and costs for speeding 75 miles an hour in a 60 mile zone;

Marie Kehrer, 46, of Minneapolis, Minn., \$11 and costs for speeding 71 miles an hour in a 60 mile zone;

Pay O. Beam, 58, and Max Lee Smith, 26, of Forest City, N. C., each fined \$25 and costs for having no license plates.

Glen Roberts, 18, of Richlands, Va., \$15 and costs for speeding 75 miles an hour in a 60 mile zone;

Melvin D. Jones, 25, of Westerville, \$12 and costs for speeding 72 miles an hour in a 60 mile zone;

John Lamm, 31, of Mt. Gilead, \$20 and costs for speeding 70 miles an hour in a 50 mile zone;

Louis Smeltzer, 37, of Canton; \$15 and costs for speeding 65 miles an hour in a 50 mile zone;

Ted F. Wojtasik, 33, of Chagrin Falls, \$20 and costs for speeding 70 miles an hour in a 50 mile zone;

Robert W. Grey, 41, of Columbus, \$15 and costs for speeding at 65 miles an hour in a 50 mile zone;

Mason Cooley, 24, of Covington, Ky., \$20 and costs for speeding 80 miles an hour in a 50 mile zone;

Rush H. Workman, 23, of Columbus, \$12 and costs for speeding 72 miles an hour in a 60 mile zone;

Velma R. Van Voorst, 55, of Columbus, \$16 and costs for speeding 76 miles an hour in a 60 mile zone;

Frederick H. Stewart, 37, of Grosse Pointe Shores, Mich., \$15 and costs for speeding 75 miles an hour in a 60 mile zone;

Earl Zane Topping, 28, of Oetz, \$11 and costs for speeding 71 miles an hour in a 60 mile zone;

Henry Cokes, 27, of Cleveland, \$30 and costs for speeding 90 miles an hour in a 60 mile zone;

Suzanne Todd, 44, of Huntington, W. Va., \$10 and costs for speeding 70 miles an hour in a 60 mile zone;

Carl W. Blevins, 40, of Olive Hill, Ky., \$12 and costs for speeding 72 miles an hour in a 60 mile zone;

Bennie B. Griffith, of Route 4, Circleville, \$15 and costs for failure to obey a stop sign.

CITED BY City Police and fined in Municipal Court by Judge Sterling Lamb were Marvin E. Stout, 19, of Route 2, Circleville, \$10 and costs for failure to obey a stop sign and Charles Keaton of 426 E. Union St., \$25 and costs with \$15 suspended and one year probation for disorderly conduct.

Shirley Ann Gooey, 22, of New Holland was fined \$10 and costs for failure to yield the right of way and failure to obey a stop sign. She was cited by the Pickaway County Sheriff's Department.

Deaths

MRS. EDITH FOSNAUGH
Mrs. Edith M. Fosnough, 76, formerly of Stoutsville, died at 11:45 a. m. yesterday in University Hospital, Columbus.

She was born March 26, 1885, in Hocking County, the daughter of Henry and Mary Jane Murlette Wynkoop, and was the widow of Homer Fosnough.

Mrs. Fosnough is survived by a daughter, Mrs. Louise Byers, Columbus; one grandchild; four great-grandchildren; three brothers, Turney Wynkoop, Ashland; Ramey Wynkoop, Delaware; and Angus Wynkoop, Stoutsville; and a sister, Mrs. Winnie Burns, Lancaster.

She was a member of the Stoutsville Lutheran Church and the Pythian Sisters of Stoutsville.

Services will be at 2 p. m. Friday in the Stoutsville Lutheran Church with the Rev. Ronald Brant officiating. Burial will be in Maple Hill Cemetery by the Defenbaugh Funeral Home.

Friends may call at the Schoedinger State Street Chapel, Columbus, from 2-9 p. m. tomorrow and at 1 p. m. Friday at the church.

Send us a card or call CA. 4-4161 Columbus if you want to be placed on our preferred mailing list to receive advance notice of our star attractions.

Police . . .

(Continued from Page 1)
a fence" about the issue. He noted local policemen had been seeking a shorter regular week informally for a full year.

City Solicitor Kenneth Robbins commented he believed such a decrease in hours worked would mean police would take an automatic 20 per cent pay reduction, under provisions of the ordinance covering wages passed last meeting by Council. Robbins said he doubted police were aware this would be the case under the current 48-hour week plan.

Temple, only representative of the police department attending the session, added he wished to conform to Council's wishes and at the same time have his men fairly treated.

The proposal may be re-introduced at a later Council meeting. If it gains insufficient support a strong probability exists some form of the question will appear on a ballot during elections this year.

In action taken by Council last night:

THE SERVICE director was authorized by unanimous vote to contract with the Columbus and Southern Ohio Electric Co. for the installation of a street light at the intersection of Lewis Ave. and the first parallel alley east of N. Court St. Councilman Joseph Bell, service and utilities committee chairman, endorsed the fixture as "definitely needed" before Council gave its approval under a rules suspension.

Land owned by Russel and Elsie Williams along Hargus Creek was ordered appropriated at fair prices as an easement for a sewer line. The strip, 10 feet wide, runs between Route 22-E and a station in Ted Lewis Park.

The City Solicitor was authorized under a resolution to incur expenses at the rate of 15 cents per mile for operation of his automobile plus meals and lodging away from his home when traveling to obtain signatures for easements from property owners living beyond the city limits.

Solicitor Robbins explained to Council several persons owning land needed for new sewage projects do not live in Circleville. In most cases their signatures are required before work can proceed.

Game Warden Named Here

Hayden Olds, chief of the Ohio Division of Wildlife, announced today the appointment of Don Davis, formerly of Sandusky, as Game Protector for Pickaway County.

Davis replaces R. D. Kreis, 432 E. Franklin St., who has been transferred to the Sandusky area.

The new Game Warden for this area, prior to his appointment, was the district fish production foreman for the ODW.

He completed the divisions' training school in 1957 and upon graduation, started to work with the fish management section in Sandusky.

In 1959 he entered military service for a two-year period. When he returned in 1961 he was reassigned to the Sandusky district, until his transfer here.

Davis is married and the father of two children. They will reside at 529 N. Court St.

The supervisor of District No. 5, including Pickaway County, is William B. Hendershot, Chillicothe.

Scout Leaders To Be Handed Yearly Reports

Roundup reports on operations in 1961 combined with a thorough look at several important future activities form the agenda for a Pickaway Scout District executive committee meeting tomorrow at 7 p. m. in the Trinity Lutheran Church Parish House.

C. W. Winner will outline the annual advancement report while Dan Crabtree is slated for progress reports on three new county troops and the reorganization of two other units. Announcements on upcoming leader and Scout training programs are to be presented by Joe Bell.

The finance report, with emphasis on progress in building the district's Camp Development Fund, has been prepared by Earl Palm. Ed Ebert will summarize the year-end Commissioners' Report.

Harry Diehl, district chairman, has urged all members to attend the session to open the new Scout year on a promising note.

General advisors' survey statements on membership, Boy's Life, and other divisions at the close of 1961 are to be reviewed by district representative James Phillips.

Jaycees To Have Dinner Meeting

The Circleville Junior Chamber of Commerce will hold a dinner meeting at 6:30 p. m. Thursday in the new American Legion Hall, south of Circleville on Route 23.

William Stout, Jaycee president, announced today that a program has been planned following the dinner and all members are urged to attend.

Berger Hospital Treats One Injury

A four-year-old Circleville child who fell and struck his forehead on a coffee table was treated and later released at Berger Hospital's Emergency Room yesterday.

Keith McQuinley, son of Mr. and Mrs. Mack McQuinley, 455 Avon Drive, was treated for a laceration of his right eyebrow following the accident at his home.

Mainly About People

Russell J. Ogden, Kingston, has been admitted to the Chillicothe Hospital, as a medical patient.

Master John F. Boggs, Kingston, has been dismissed from the Chillicothe Hospital.

Ralph Bowman, Route 2, Amanda, has been admitted to the Lancaster-Fairfield Hospital.

Preston Brown, Route 1, Amanda, has been treated and released at the Lancaster-Fairfield Hospital.

Lanny Damron, Mt. Sterling, has been admitted to the Fayette Memorial Hospital, Washington C. H., as a medical patient. He was later transferred to Children's Hospital, Columbus.

Warren Pickleseimer, William, sport, has been admitted to the Fayette Memorial Hospital, Washington C. H., as a medical patient.

Arthur Longberry, Mt. Sterling, has been dismissed from the Fayette Memorial Hospital, Washington C. H., where he was a medical patient.

Mrs. Mary Alice Webb, Mt. Sterling, has been dismissed from the Fayette Memorial Hospital, Washington C. H., where she was a medical patient.

Income tax work and bookkeeping in my home. For appointment call Gladys Noggle, GR 4-2612.—ad

Mrs. Dorothy Grover, 217 Watt St., was admitted yesterday to University Hospital, Columbus, as a medical patient.

Dr. and Mrs. William Walter, Boston, Mass., are the parents of a daughter, Kimberly Lane. Mrs. Walter is the former Marlene Mancini of Circleville.

Sportsmen Group Elects Officers

Dr. H. W. Fraas, Route 1, Ashville, was elected president of the Pickaway Farmers' and Sportsmen's Association during the group's annual banquet and election of officers held recently at the fairgrounds coliseum.

Other officers elected were: W. G. Richards, vice president; Robert Rader, treasurer; and Bob Wolf secretary and license agent.

Five directors for 1962 terms were also elected during the recent meeting. They were: Alfred Gabriel, Darrell Hatfield, Lawrence Liston, Wayne Rhoads and E. F. Owens.

Dick E. Redman was elected secretary of the Rifle and Pistol Club of the association.

Bob Wolf, secretary, announced today that plans have been completed for the group to sponsor a program, scheduled for February 12, entitled a "Wally Taber Safari Saga."

Tickets will be available from members in the near future, Wolf added.

The primary purpose of soil testing is to supply individual farmers with information on the lime and fertilizer requirements of their fields.

Author-Traveler To Speak At Annual Chamber Meeting

John Noble, author of "I Was A Slave In Russia" and "I Found God In Soviet Russia", will be the featured speaker at the annual meeting of the Circleville Area Chamber of Commerce.

The yearly event, open to the public, will be held at 6:30 p. m. Tuesday, January 16, in the Service Center of the First EUB Church. Reservations may be made by calling GR 4-4923; the deadline is Tuesday, a Chamber spokesman said.

Noble, a 35 year-old American, spent 9 1/2 years in Russian prison camps. To keep his promise to those who were left behind in prison camps, Noble has traveled over 300,000 miles telling the story of his imprisonment and has written two books on his experiences. Both of his books were recently awarded the American Heritage and Freedoms Book Award.

Noble has appeared before several Congressional committees in briefing sessions. His story has been in several national magazines, leading newspaper columns and dramatized in a full hour television presentation.

AT THE annual meeting here, Noble will tell how he and his family were trapped in Germany during World War II. His father owned factories in Germany and Czechoslovakia, but were placed under house arrest by the Nazis until 1945.

He was shuttled from Dresden prison to Muhlberg, Buchenwald and finally ended up in Vorkuta, 50 miles above the Arctic Circle.

While at Vorkuta, Noble kept as active as possible to escape the numbing boredom and became proficient in the Russian language. This study opened opportunities to discussions of the Soviet way of life.

Contrary to some of the stories told by returning tourists, Noble tells of a face of Russia that is dramatically different. While speaking in Detroit a short time ago he was handed a note relayed from a friend still behind the Iron Curtain, stating "Nothing has changed since you left."

Star Grange To Meet

Members of Star Grange will meet at 8 p. m. Tuesday in the Monroe Twp. school.

Parents Must Help

Dr. Sterling M. McMurrin, U. S. Commissioner of Education, is about to appoint a five - or - six - member panel of advisers to tell him how to help big city schools. Dr. James Bryant Conant concluded after a survey of city schools that too many of them are failing to meet the challenge of educating young people and are turning them out into the streets unprepared for anything except crime and trouble. He urged development of more vocational-type schools.

Dr. McMurrin leans to the theory that radical methods may be necessary to help the big city schools. He charges that state legislatures are so heavily influenced

by rural interests that many cities cannot get the funds they need to provide for their children. He doesn't say why the cities do need to make education more meaningful for young people. Ways must be found to keep them out of trouble. The increasing crime rate is alarming. But rural residents are taxpayers too.

Although a big city education has its gaps and problems, at least in most city high schools a boy or girl who wants an education can get one. The resources are there and all he has to do is take advantage of them. Perhaps it is the parents' job to see to it that their children do.

Fuzzy Forecast Tells Much

NEW YORK (AP)—What kind of year will 1962 be?

A look in the murky crystal ball discloses it will be one of the more memorable years of modern times, a mixture of national prosperity and international puzzlement.

According to our annual fuzzy forecast, the American common man will earn more money than he ever did before in his life—and still be unable to understand where it all went.

He will eat both the cake of plenty and the bread of crisis, as the Russians find new strings of discord and unrest to thrum.

Most people will be living more, but maybe wondering whether they are enjoying it less. Yet everybody—everybody except wives reaching 40—will find something to be cheerful about during 1962.

Here are a few fanciful predictions that may come true during the present year:

On the international front: Following President Kennedy's advice on personal physical fitness programs, Premier Khrushchev will take a special correspondence course in muscle-building.

The United States will shoot a man into orbit, and the Russians will immediately orbit a beautiful female spy to keep an eye on him. The Congolese will organize their own version of the "Peace Corps," and send their first trainees over here to help rescue Americans stranded in traffic jams.

The United Nations will seek to solve its financial woes by having itself listed on the stock exchanges of New York, London, Paris, Rome, Bonn, and Tokyo. Shares will also be sold secretly to the Russian public by stock and bond salesmen parachuted into Siberia by the Allies.

On the domestic political front:

John F. Kennedy Jr., will grow some more baby teeth.

His father will ask Congress to put some more adult teeth in the present income tax laws, and everyone on an expense account will go into mourning.

A Harvard professor will decline a federal government appointment, claiming he prefers to teach. After being cleared of any taint of subversion by a joint faculty-congressional committee, Sen. Barry Goldwater will offer him a post on his staff.

Gov. Nelson A. Rockefeller's friends will offer a \$25,000 reward for any ghost writer who can come up with a Republican vengeful slogan better than "New Deal," "Fair Deal," or "New Frontier."

All in all, 1962 promises to be an interesting and surprising year. If you don't enjoy it, it'll be your own fault.

By Hal Boyle

The Business World

NEW YORK (AP)—Businessmen and bankers will have their eyes on Washington for the next two weeks. So will labor and investors and taxpayers. And so, too, should consumers. All will have a great deal at stake.

For the fiscal and economic program which President Kennedy is expected to reveal shortly in general terms in his State of the

Union message, and in detail in the budget message to follow, will have bread-and-butter significance for almost everyone.

Soon we'll be told how much the government will spend, and for what; how much it expects to take in through taxes, and what tax changes if any; how it expects to finance any borrowing the Treasury must make to keep its tilt safely filled.

All of these will have effects sooner or later, to greater or lesser degree, on new orders for many industries, sales and profits records, jobs and work weeks, interest rates on savings and mortgages, on loans and on short-term and long-term securities, and in time on prices and wages.

dividuals are expected to raise its take through income taxes in the coming fiscal year.

It is on this anticipation that the Budget Bureau is counting to balance out the bigger budget the President is expected to present this month. Spending is expected to rise to at least \$92 billion. Just a year ago the President estimated spending in the current fiscal year would be \$80.7 billion, raised later to \$81.5 billion.

The increased spending expected in the fiscal year starting July 1 will further benefit some industries and firms—and, hopefully, many workers. If this in turn inspires higher Treasury revenues, the budget may stay in the hoped-for balance.

THEY'LL WED—Two outstanding figures in athletics, Carin Cone, former world record holder in the 200-meter backstroke swim, and Al Vanderbush III, the captain of the 1960 Army football team, will be married next June.

You're Telling Me!

By WILLIAM RITT
Central Press Writer

Moscow's Pravda quoted Khrushchev as saying he can make mistakes. What's most surprising about this is that Mr. K. made the remark recently, in December and not, as one would expect, on April 1.

After lowering a wall safe by means of a rope from a 10th floor apartment to a waiting car Chicago burglars found it empty. Oh well, they got in some dandy practice!

An 87-year-old Texas woman was gifted with a toy train for which she wrote Santa Claus 77 years ago. Looks like the good old saint, too, sometimes gets his schedule mixed up.

Milt, the sterling printer, says in that trade between Czechoslovakia and West Germany — three ex-Nazi generals for two Czechs convicted of spying — it's hard to figure who got the worst of the deal.

On an average, a lobster will shed its shell some 15 times a year — Factographs. Nature's strip-teaser?

Chow dogs were raised by ancient Chinese as a source of food, according to an historian. Is that how they got their name?

It's hard to understand why those over a statue in Australia of Britain's late King George V. If any former ruler needs white-washing it certainly isn't George the Good!

LAFF-A-DAY

Try and Stop Me

By BENNETT CERF

JACK BENNY believes that the waiters at Miami Beach's swanky Fontainebleau Hotel are the classiest and most cultured he's ever encountered. "Of course," he adds, "most of them were guests of the hotel when they arrived a week earlier."

A family became convinced that its home was haunted and decided to move to another town. All the furniture had been packed in a big van and the kids collected. The father called out, "Are we all here?" From under a table in the van came the voice of the ghost: "Yes, we're all here. Let's get going!"

A subscriber in a small town told the phone operator, "Get me a veterinarian quick." The operator inquired coldly, "Is this a personal call?" "Of course not," snapped the caller. "It's my dog that's sick."

Inside You and Yours

By BURTON H. FERN, M.D.

Dear Doctor: I'm no food faddist. But herbs definitely cured my asthma and added 30 pounds to my wasting 80-pound frame.

Dear Mrs. L.: Herbs help. And their tasty twang can keep you eating.

Mediterranean Khellin sometimes relieves asthma. Doctors often prescribe tree bark laxatives, plant root tranquilizers and leafy herb stimulants. But instead of chewing the whole bark, root or leaf you merely swallow the chemically active ingredients.

Dear Doctor: When giving an enema, how sterile should the water and equipment be? Is tap water safe?

Mrs. A.D. (Tenn.)

Dear Mrs. D.: Any water clean enough to drink is clean enough for the other end of the digestive passage too. Enema equipment need not be sterile.

Dear Doctor: Can a \$15 course of exercises stretch the discs between spinal bones and increase my 4'11" height? Miss S.S. (Calif.)

Dear Miss S.: You might stand taller — especially without that \$15 to weigh you down. But even medieval stretch-racks couldn't widen those spinal discs.

Grow without exercise.

Wear small patterns or narrow up-and-down stripes. Hemline should reach below the knees.

And, remember, thick belts subtract inches from your height right in the middle!

Dear Doctor: Can hormones remove the excess hair on our 3-year-old daughter's arms, back and shoulders?

Mrs. G. G. (Iowa)

Dear Miss G.: Not unless there's hormone trouble.

Language Problems

Carlyle Hall of Springfield, Illinois, has a solution to the political, social and economic problems of mankind. All the world's statesmen have not hit on his formula but to him it comes easily. This is what he says:

"Tell me why all civilized nations now members of the United Nations, could not get together, and agree on one universal language, and require this to be taught in all their schools, in addition to their native language, to enable the rising generation with in a few years in all nations to intelligently converse with one another."

"If through the United Nations this could be brought about, along with other things that they do, I believe it would be the most outstanding thing that the world has ever seen."

"This to me seems so simple and so important, can you tell me why it is not attempted, and worked out?"

Years ago, a colonel about to retire from the American Army in the Philippines came up to Shanghai to propose a solution to all the problems that faced the Chinese. He said that the Chinese had nearly 100 dialects which kept the Chinese in confusion because they could not talk to each other. Why, he asked, did they not drop Chinese and make English their language? I asked why not drop Chinese and adopt Chinese as our language? Also, why English and not French or Russian?

That only annoyed him. He had undoubtedly spent years thinking out this problem. It never occurred to him that if all the Chinese became dumb and could not speak to each other at all, maybe they would have no problems.

This generation has forgotten Dr. Zamenhof who came from Warsaw and gave the world Esperanto. He invented a new language. If the 2,000,000,000 human beings on Earth spoke to each other in Esperanto, they would understand each other better.

But it has turned out that the better we understand each other, the less we like each other. It used to be that nobody understood the hundred or so dialects of India, most of them being local corruptions of Sanskrit. But now that the Indians have come to the United Nations and can hear all kinds of languages they not only want to

NOTICE TO TAXPAYERS
PUBLICATION OF DELINQUENT AND CLASSIFIED PROPERTY TAXES

Taxpayers are hereby notified that as pursuant to Sect. 5719.04 R.C. Ohio Law, the County Auditor shall cause a copy of the delinquent personal and classified property tax list and duplicate to be published twice within sixty days after delivery of such list and duplicate to the County Treasurer. Those delinquent after the October 1961 settlement, who desire to remove their names from said list should make proper payment to the County Treasurer on or before January 15, 1962.

MARVINE H. RHOADES
Pickaway County Auditor

Parents Must Help

Dr. Sterling M. McMurrin, U. S. Commissioner of Education, is about to appoint a five - or - six - member panel of advisers to tell him how to help big city schools. Dr. James Bryant Conant concluded after a survey of city schools that too many of them are failing to meet the challenge of educating young people and are turning them out into the streets unprepared for anything except crime and trouble. He urged development of more vocational-type schools.

Dr. McMurrin leans to the theory that radical methods may be necessary to help the big city schools. He charges that state legislatures are so heavily influenced

by rural interests that many cities cannot get the funds they need to provide for their children. He doesn't say why the cities do need to make education more meaningful for young people. Ways must be found to keep them out of trouble. The increasing crime rate is alarming. But rural residents are taxpayers too.

Although a big city education has its gaps and problems, at least in most city high schools a boy or girl who wants an education can get one. The resources are there and all he has to do is take advantage of them. Perhaps it is the parents' job to see to it that their children do.

Fuzzy Forecast Tells Much

NEW YORK (AP)—What kind of year will 1962 be?

A look in the murky crystal ball discloses it will be one of the more memorable years of modern times, a mixture of national prosperity and international puzzlement.

According to our annual fuzzy forecast, the American common man will earn more money than he ever did before in his life—and still be unable to understand where it all went.

He will eat both the cake of plenty and the bread of crisis, as the Russians find new strings of discord and unrest to thrum.

Most people will be living more, but maybe wondering whether they are enjoying it less. Yet everybody—everybody except wives reaching 40—will find something to be cheerful about during 1962.

Here are a few fanciful predictions that may come true during the present year:

On the international front: Following President's Kennedy's advice on personal physical fitness programs, Premier Khrushchev will take a special correspondence course in muscle-building.

The United States will shoot a man into orbit, and the Russians will immediately orbit a beautiful female spy to keep an eye on him. The Congolese will organize their own version of the "Peace Corps," and send their first trainees over here to help rescue Americans stranded in traffic jams.

The United Nations will seek to solve its financial woes by having itself listed on the stock exchanges of New York, London, Paris, Rome, Bonn, and Tokyo. Shares will also be sold secretly to the Russian public by stock and bond salesmen parachuted into Siberia by the Allies.

On the domestic political front:

The Business World

NEW YORK (AP)—Businessmen and bankers will have their eyes on Washington for the next two weeks. So will labor and investors and taxpayers. And so, too, should consumers. All will have a great deal at stake.

For the fiscal and economic program which President Kennedy is expected to reveal shortly in general terms in his State of the

Union message, and in detail in the budget message to follow, will have bread-and-butter significance for almost everyone.

Soon we'll be told how much the government will spend, and for what; how much it expects to take in through taxes, and what tax changes if any; how it expects to finance any borrowing the Treasury must make to keep its till safely filled.

All of these will have effects sooner or later, to greater or lesser degree, on new orders for many industries, sales and profits records, jobs and work weeks, interest rates on savings and mortgages, on loans and on short-term and long-term securities, and in time on prices and wages.

The economy is too big now for the federal budget to make it or wreck it. But industrial and financial trends are definitely affected by government policies. And the effects of government policies are more noticeable when the economy itself is in fairly close balance—definitely not declining, but not advancing in anything resembling a sure-fire boom.

Many businessmen believe that the current moderate uptrend in the economy is due to forces generated within the economy itself, with a big assist by fairly steady consumer spending.

Administration economists, however, think that a lot of the zip today is due to a needed extra nudge which extra federal spending gave. The defense outlays were raised by \$6 billion. And as orders arising from this reached defense firms and were spread through their supplies, it helped not only industry but made more jobs, or longer work weeks, for many workers. And their large paychecks helped push consumer sales to record highs before Christmas.

The U. S. Treasury also hopes to benefit. The added earnings of industry and larger incomes of in-

John F. Kennedy Jr., will grow some more baby teeth.

His father will ask Congress to put some more adult teeth in the present income tax laws, and everyone on an expense account will go into mourning.

A Harvard professor will decline a federal government appointment, claiming he prefers to teach. After being cleared of any taint of subversion by a joint faculty-congressional committee, Sen. Barry Goldwater will offer him a post on his staff.

Gov. Nelson A. Rockefeller's friends will offer a \$25,000 reward for any ghost writer who can come up with a Republican vote-getting slogan better than "New Deal," "Fair Deal," or "New Frontier."

All in all, 1962 promises to be an interesting and surprising year. If you don't enjoy it, it'll be your own fault.

By Sam Dawson

dividuals are expected to raise its take through income taxes in the coming fiscal year.

It is on this anticipation that the Budget Bureau is counting to balance out the bigger budget the President is expected to present this month. Spending is expected to rise to at least \$92 billion. Just a year ago the President estimated spending in the current fiscal year would be \$80.7 billion, raised later to \$81.5 billion.

The increased spending expected in the fiscal year starting July 1 will further benefit some industries and firms—and, hopefully, many workers. If in this turn inspires higher Treasury revenues, the budget may stay in the hoped-for balance.

You're Telling Me!
By WILLIAM RITT
Central Press Writer

Moscow's Pravda quoted Khrushchev as saying he can make mistakes. What's most surprising about this is that Mr. K. made the remark recently, in December and not, as one would expect, on April 1.

After lowering a wall safe by means of a rope from a 10th floor apartment to a waiting car Chicago burglars found it empty. Oh well, they got in some dandy practice!

An 87-year-old Texas woman was gifted with a toy train for which she wrote Santa Claus 77 years ago. Looks like the good old saint, too, sometimes gets his schedule mixed up.

Milt, the sterling printer, says in that trade between Czechoslovakia and West Germany — three ex-Nazi generals for two Czechs convicted of spying — it's hard to figure who got the worst of the deal.

On an average, a lobster will shed its shell some 15 times a year — Factographs. Nature's strip-teaser?

Chow dogs were raised by ancient Chinese as a source of food, according to an historian. Is that how they got their name?

It's hard to understand why those over a statue in Australia of Britain's late King George V. If any former ruler needs white-washing it certainly isn't George the Good!

Language Problems

Carlyle Hall of Springfield, Illinois, has a solution to the political, social and economic problems of mankind. All the world's statesmen have not hit on his formula but to him it comes easily. This is what he says:

"Tell me why all civilized nations now members of the United Nations, could not get together, and agree on one universal language, and require this to be taught in all their schools, in addition to their native language, to enable the rising generation with in a few years in all nations to intelligently converse with one another."

"If through the United Nations this could be brought about, along with other things that they do, I believe it would be the most outstanding thing that the world has ever seen."

"This to me seems so simple and so important, can you tell me why it is not attempted, and worked out?"

Years ago, a colonel about to retire from the American Army in the Philippines came up to Shanghai to propose a solution to all the problems that faced the Chinese. He said that the Chinese had nearly 100 dialects which kept the Chinese in confusion because they could not talk to each other. Why, he asked, did they not drop Chinese and make English their language? I asked why not drop English and adopt Chinese as our language? Also, why English and not French or Russian?

That only annoyed him. He had undoubtedly spent years thinking out this problem. It never occurred to him that if all the Chinese became dumb and could not speak to each other at all, maybe they would have no problems.

This generation has forgotten Dr. Zamenhof who came from Warsaw and gave the world Esperanto. He invented a new language. If the 2,000,000,000 human beings on Earth spoke to each other in Esperanto, they would understand each other better.

But it has turned out that the better we understand each other, the less we like each other. It used to be that nobody understood the hundred or so dialects of India, most of them being local corruptions of Sanskrit. But now that the Indians have come to the United Nations and can hear all kinds of languages they not only want to

quarrel with each other but with all the world.

Or look at China which has more languages than any nation on Earth, and for thousands of years the various races of China got along well enough together, having little wars but none of them amounting to too much, up to the Taiping Rebellion which decimated an enormous part of the people of China. But now the Chinese have attempted to have one language, Kwan Hua, or as the ignorant foreigners call it, Mandarin, and they have not only tried to exterminate each other but are fighting everybody in Asia.

It is curious that the better we understand each other, the more we dislike each other. George Bernard Shaw was so prejudiced against women that he regarded them as equal to men. Shaw was cruel, for what man would have his hair dyed each season for no better reason than that a new shade had become fashionable; or what man would paint his finger nails various colors except a savage warrior or an American Indian to indicate a tribal mark? Surely no man since the time of Louis XIV would wear the kinds of heels that are now fashionable among women which involve the risk of the heel breaking off and hurling the woman forward or making her walk ungracefully as though on stilts.

Far be it from me to be anti-female. In fact, I am so much pro that my wife often tells me to be my age which strikes me as utterly ridiculous. Why would anyone want to be his age if he can possibly be younger and gayer? But that is not the point. What we are talking about is that some folks find a simple solution to all problems which brings them great

By George Sokolsky

happiness except that the solutions do not work out.

Imagine if all the world spoke German what a guttural would prevail. And even German is divided into dozens of dialects depending upon lips and low or high pronunciations. I once knew something about quite a few languages but I had a hard time convincing a young lady that I really understood her in each.

THEY'LL WED—Two outstanding figures in athletics, Carin Cone, former world record holder in the 200-meter backstroke swim, and Al Vanderbush III, the captain of the 1960 Army football team, will be married next June.

Dear Abby...

By Abigail VanBuren

Silence Reigns!

DEAR ABBY: We would like your opinion on a subject that has caused a lot of discussion around our office. One of the men who works here claims that in the 29 years he has been married he has never had a fight with his wife. He says she has never argued with him, questioned him or disagreed with him. Furthermore, he claims he has never heard her raise her voice. Is this possible?

CAN'T BELIEVE IT
DEAR ABBY: It's possible, but most unlikely. Perhaps there is something wrong with his hearing.

DEAR ABBY: My daughter is a very mature eleven-year-old. About

a week ago she started wearing an identification bracelet a boy at school gave her. In her crowd it means she is "going steady."

This afternoon I got a phone call from the boy's mother. (I have never met her.) She said she was terribly upset to learn that her son had given my daughter his I. D. bracelet and she wanted my daughter to return it. She said the bracelet was a "good" one, and a birthday gift, and she didn't want anything to happen to it. I told her that my daughter did not STEAL it, it was given to her and, furthermore, I did not run my daughter's life and I hung up on her. Did I do right? SORRY NOW
DEAR ABBY: You should be. No eleven-year-old is old enough to "run her own life." Tell your daughter to return the bracelet, and the sooner the better.

DEAR ABBY: My grandfather, who has been ill for quite some time, is expected to die at any moment. It is necessary to have my grandmother's relatives to the funeral? If they do attend, is it necessary to have them sit in the pews reserved for relatives?

They are such rough and ignorant people it would embarrass us to have them sitting with the relatives of my grandfather. In other words, the whole family is ashamed of them. However, we will do what is right.

JUST WONDERING
DEAR ABBY: A funeral is not a "party" that one attends by invitation only. Your grandmother's relatives have a right to attend, and to sit in the pews reserved for relatives.

CONFIDENTIAL TO "LOVED AND LOST": Your letter reminds me of an old Chinese story: "One tear met another tear floating down the river. The first tear said, 'I am the tear of a woman who lost her lover.' The other tear said, 'I am the tear of the woman who got him.'"

Are things rugged? For a personal reply, write to Abby, Box 3365, Beverly Hills, Calif., and don't forget a stamped, self-addressed envelope.

Parole Granted

COLUMBUS, Ohio (AP) — The parole of Richard Scaff, 38, sentenced from Scioto County in 1951 for second-degree murder in the shooting of his wife, was announced Tuesday by the Pardon and Parole Commission.

Scaff, convicted of slaying his wife with a pistol during a quarrel June 17, 1951, was the only convicted murderer whose name appeared on the list of men to be paroled from the Marion Correctional Institute. Scaff, of Rt. 1 Rarden, is scheduled for parole about Feb. 1.

Driver of School Bus Enters Innocent Plea

GREELEY, Colo. (AP)—Duane Harms, 23, driver of a school bus in which 20 children perished, pleaded innocent today to a charge of involuntary manslaughter.

Dist. Judge Donald Carpenter set his trial for March 20.

The bus was struck by a Union Pacific Railroad streamliner passenger train at a county road crossing southeast of Greeley Dec. 14. In addition to the 20 children killed, 17 were injured. Harms escaped with slight injuries and shock.

An early form of "God Save the Queen" was written in 1619 by an organist named John Bull, but the piece is not the work of one composer.

Early Eye Exam

Q. Is it possible for an eye doctor to test a child's eyes before the youngster learns his letters?

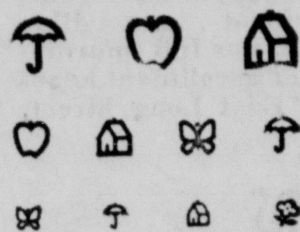

A. Yes. There are ways to test sight other than by having the subject read a chart. When eye examination is desirable the preschool child may be asked to identify drawings such as those shown in the illustration.

Ballet Walk

Q. In my ballet class the teacher insists that we walk with toe extended, pressing first the toe, then the ball, and lastly the heel on the floor. Our gym teacher says we must "walk on the heel." Could walking in the "ballet" manner harm the foot?

A. The normal or ideal way to walk is "heel first." No possible harm, however, can result from the ballet technique. This strengthens all of the foot muscles, which should make correct walking easier when not practicing ballet.

Possible

Bright's Disease

Q. I have heard there is a rare kidney disease called Doctor Albright's disease, discovered in recent years. Is it curable?

A. Dr. Fuller Albright's name is associated with two rather rare conditions but neither directly involve the kidney. The reader may be referring to "Bright's disease." In 1827, Dr. Richard Bright described a group of kidney diseases which "terminated in dropsy." Dropsy, a word seldom used today, means the accumulation of watery fluid in body tissues and cavities, causing swelling. For many years every sort of urinary disorder was called "Bright's disease." It is now known that the kidneys can be affected in many ways, so the general term "Bright's disease" isn't used very often.

Silence Reigns!

DEAR ABBY: We would like your opinion on a subject that has caused a lot of discussion around our office. One of the men who works here claims that in the 29 years he has been married he has never had a fight with his wife. He says she has never argued with him, questioned him or disagreed with him. Furthermore, he claims he has never heard her raise her voice. Is this possible?

CAN'T BELIEVE IT
DEAR ABBY: It's possible, but most unlikely. Perhaps there is something wrong with his hearing.

DEAR ABBY: My daughter is a very mature eleven-year-old. About

a week ago she started wearing an identification bracelet a boy at school gave her. In her crowd it means she is "going steady."

This afternoon I got a phone call from the boy's mother. (I have never met her.) She said she was terribly upset to learn that her son had given my daughter his I. D. bracelet and she wanted my daughter to return it. She said the bracelet was a "good" one, and a birthday gift, and she didn't want anything to happen to it. I told her that my daughter did not STEAL it, it was given to her and, furthermore, I did not run my daughter's life and I hung up on her. Did I do right? SORRY NOW
DEAR ABBY: You should be. No eleven-year-old is old enough to "run her own life". Tell your daughter to return the bracelet, and the sooner the better.

DEAR ABBY: My grandfather, who has been ill for quite some time, is expected to die at any moment. It is necessary to have my grandmother's relatives to the funeral? If they do attend, is it necessary to have them sit in the pews reserved for relatives?

They are such rough and ignorant people it would embarrass us to have them sitting with the relatives of my grandfather. In other words, the whole family is ashamed of them. However, we will do what is right.

JUST WONDERING
DEAR ABBY: A funeral is not a "party" that one attends by invitation only. Your grandmother's relatives have a right to attend, and to sit in the pews reserved for relatives.

CONFIDENTIAL TO "LOVED AND LOST": Your letter reminds me of an old Chinese story: "One tear met another tear floating down the river. The first tear said, 'I am the tear of a woman who lost her lover.' The other tear said, 'I am the tear of the woman who got him.'"

Are things ragged? For a personal reply, write to Abby, Box 3365, Beverly Hills, Calif., and don't forget a stamped, self-addressed envelope.

Parole Granted
COLUMBUS, Ohio (AP) — The parole of Richard Scaff, 38, sentenced from Scioto County in 1951 for second-degree murder in the shooting of his wife, was announced Tuesday by the Pardon and Parole Commission.

Scaff, convicted of slaying his wife with a pistol during a quarrel June 17, 1951, was the only convicted murderer whose name appeared on the list of men to be paroled from the Marion Correctional Institute. Scaff, of Rt. 1 Rarden, is scheduled for parole about Feb. 1.

An early form of "God Save the Queen" was written in 1619 by an organist named John Bull, but the piece is not the work of one composer.

Castro Names Man To Vatican Job

VATICAN CITY (AP) — Prime Minister Fidel Castro has appointed a new ambassador to the Vatican in an apparent move to ease strained relations between his pro-Communist regime in Cuba and the Roman Catholic Church.

Castro's appointment of Luis Amado Blanco y Fernandez became known today with the routine publication of the 1962 directory of the diplomatic corps accredited to the Vatican.

An official at the Cuban Embassy confirmed the appointment of Blanco y Fernandez, but said he had not yet arrived in Rome.

The previous Cuban envoy, Dr. Jose Ruiz Velasco, presented his credentials in March 1960. He was recalled by Castro less than nine months later.

Castro's ouster of several Roman Catholic priests from Cuba led to further strain between the Vatican and Havana, and by last summer relations between the two appeared near the breaking point.

HAVANA (AP)—A New Year's message from Pope John XXIII expressing "sincere hopes for Christian prosperity for the beloved Cuban people" was published in Havana newspapers today.

The brief message replied to a New Year's greeting from President Osvaldo Dorticos. It acknowledged Dorticos' message of best wishes.

Driver of School Bus Enters Innocent Plea

GREELEY, Colo. (AP)—Duane Harms, 23, driver of a school bus in which 20 children perished, pleaded innocent today to a charge of involuntary manslaughter.

Dist. Judge Donald Carpenter set his trial for March 20.

The bus was struck by a Union Pacific Railroad streamliner passenger train at a county road crossing southeast of Greeley Dec. 14. In addition to the 20 children killed, 17 were injured. Harms escaped with slight injuries and shock.

An early form of "God Save the Queen" was written in 1619 by an organist named John Bull, but the piece is not the work of one composer.

Early Eye Exam Possible

Q. Is it possible for an eye doctor to test a child's eyes before the youngster learns his letters?

A. Yes. There are ways to test sight other than by having the subject read a chart. When eye examination is desirable the preschool child may be asked to identify drawings such as those shown in the illustration.

Ballet Walk

Q. In my ballet class the teacher insists that we walk with toe extended, pressing first the toe, then the ball, and lastly the heel on the floor. Our gym teacher says we must "walk on the heel." Could walking in the "ballet" manner harm the foot?

A. The normal or ideal way to walk is "heel first." No possible harm, however, can result from the ballet technique. This strengthens all of the foot muscles, which should make correct walking easier when not practicing ballet.

Bright's Disease

Q. I have heard there is a rare kidney disease called Doctor Albright's disease, discovered in recent years. Is it curable?

A. Dr. Fuller Albright's name is associated with two rather rare conditions but neither directly involve the kidney. The reader may be referring to "Bright's disease." In 1827, Dr. Richard Bright described a group of kidney diseases which "terminated in dropsy." Dropsy, a word seldom used today, means the accumulation of watery fluid in body tissues and cavities, causing swelling. For many years every sort of urinary disorder was called "Bright's disease." It is now known that the kidneys can be affected in many ways, so the general term "Bright's disease" isn't used very often.

Women's News

Huge Handbags Preferred

STYLING IN NATURAL jute, this handbag is trimmed in a choice of calfskin, including black, antique and brown.

By SUSAN BARDEN
Handbags, those most important additions to every woman's outfit, have become larger and larger with the requirements of our modern way of living.

For daytime, the new bag designs have taken on tote proportions but have relinquished none of their smart shapes.

Satchels and oversized envelopes are favorites and many of them are styled for a round-the-year wear, being as appropriate with town and country clothes now as they will be with spring and summer costumes later on.

Fashioned of sturdy fabrics, the totes are often trimmed with soft leathers in contrasting shades.

The bags are equipped with handy inside compartments so that wallets and change purses are readily accessible and cosmetics and keys do not have to be fished out of the depths.

They are voluminous enough to carry paperbacks for reading on trains and subways, with plenty of extra room for packages and

Rome Beauty apples hold their shape well during baking. They may be had medium or large and their yellow or greenish skin is more or less mottled with bright red and striped with carmine.

any other necessary personal possessions.

Monrovia Club Sponsors Tour

Members of the Monrovia Garden Club sponsored their annual Christmas decoration tour recently. A covered dish dinner was enjoyed in the Five Points Methodist Church basement following the tour.

The tour judge, Mrs. Kathryn Van Schoy, placed the scenes as follows:

"Outside Scene", first, Mrs. Charles Towler; second, Mrs. Herman Porter and third, Mrs. John O'Day.

"Windows", first, Mrs. Clyde Michel; second, Mrs. Raymond Grabill and third, Mrs. Lloyd Neff.

"Door", first, Mrs. Clyde Michel; second, Mrs. Herman Porter and third, Mrs. John O'Day.

"Stairway", first, Mrs. Bruce Cochran; second, Mrs. Georgia Dick and third, Mrs. Ned Long.

Mrs. Van Schoy presented a very interesting talk on Christmas decorations and gave some constructive criticisms on various decorations.

A social evening was enjoyed by all.

Williamsport Couple Honored On Anniversary

Mr. and Mrs. Carl Dudleson observed their silver wedding anniversary recently as honored guests at open house in their home on Route 1, Williamsport. The couple's daughters, Mrs. J. T. Weiland and Miss Melanie Dudleson were hostesses for the evening event.

The silver and white cloth covered refreshment table was centered with a red and silver seasonal arrangement featuring a red poinsettia cluster centered with a red candle, silver spikes and ornaments and entwined with evergreen. Silver candelabra graced with silver colored candles flanked the center arrangement and a wedding cake trimmed with pink and yellow roses on white topped with a silver wedding bell.

Refreshments of wedding cake, punch, nuts and coffee were served to 40 guests.

Many beautiful gifts were presented to the honored guests.

Guild No. 20 Has Yule Meet

Twenty-five members of Berger Hospital Guild No. 20 met recently in the home of Mrs. Donald Hulse.

Mrs. Don Rose, guild chairman, presided at the business session. She appointed a nominating committee as follows: Mrs. Clyde Cook Sr., Mrs. Olive Hettinger and Mrs. Don Hulse.

Mystery sister gifts were received by Mrs. Hillis Hall, Mrs. Fred Overly, Mrs. Paul Thompson, Mrs. George Mowery, Mrs. Clyde Cook, Sr., Miss Mary Clark, Mrs. Margaret Evans, Mrs. Olive Hettinger, Mrs. Jean Justus, Miss Dehl Renick, and Mrs. Austin Hoover.

Refreshments of cookies and punch were served by the hostess assisted by Mrs. Lawrence Hart and Mrs. Betty Dean.

Door prizes were won by Olive Hettinger, Mrs. Eugene Hansen and Mrs. Hillis Hall. The prizes were small slippers containing Christmas arrangements. Everyone present received a Christmas gift.

The January hostesses will be Mrs. Norman Anderson, Mrs. Frank Wirth and Miss Carolyn Fudge.

Crusaders Class Plans Friday Meet

The Crusaders Class of Calvary EUB Church will meet at 7:30 p.m. Friday in the home of the Rev. and Mrs. Gerald Niswender, 425 S. Washington St.

Mrs. Marian DeLong will be devotional leader for the meeting and Mrs. Robert Swank will conduct a games period.

The class has scheduled the first Friday night of each month for a regular meeting.

You can waterproof regular flower pots by dipping them into melted paraffin, which seals the pores.

SPRING IS SPRUNG EARLY—Drawing a bead in New York on formal fashion for spring, 1962, Gothe traces a floral pattern of a silk chiffon print in tiny beads of pink, fuchsia and gold (left). George Carmel cottons to spring by using a green and beige plaid for a softly-tailored, cotton suit (second from left). Bands of bright red, green and yellow ribbon stripe the round skirt of a white silk organdy cocktail dress (second from right) from Anne Klein's collection for junior sophisticates. And a short jacket, flaring gently from waistline seaming for peplum effect, describes "suit look" for next spring (right). Harry Frechtel used lightweight grey flannel for this version, which is finished with flat pearl buttons and a cerise flower at the neckline.

Personals

A 2-c Harry E. Justice arrived home prior to the holidays to spend a leave of duty with his parents, Mr. and Mrs. Ethridge Justice, 225 E. Union St. Airman Justice is expected to leave here around Jan. 15 to resume a tour of duty at Edwards Air Force Base in California.

Mr. and Mrs. Ronald Spence entertained a group of their friends Sunday evening with a New Year's Eve Party in their home at 1010

N. Court St. The group welcomed the New Year and enjoyed a ham supper served at 2 a. m. Guests included Mr. and Mrs. Doyle Painter, Mr. and Mrs. Ronald Kenetck, Mr. and Mrs. John Roll, Mr. and Mrs. Harold Whitmore, Mr. and Mrs. Donald Greenlee, Mr. and Mrs. Charles Allison, Mr. and Mrs. Wayne Smith and Mr. and Mrs. George Robinson.

Randy Franklin, son of Mr. and Mrs. James R. Franklin, Walnut Creek Pike, has returned to his home at 40 E. Elm St., Chicago, Ill., after spending the past two weeks with his family. Following his return home, Randy will resume his study of Industrial Design at the Art Institute of Chicago.

Mr. Robert D. Shadley has returned to Purdue University, West Lafayette, Ind., after spending the holidays with his parents, Mr. and Mrs. Robert J. Shadley, 324 E. Mound St.

Large Classroom Shortage Exists

WASHINGTON (AP) — Despite a record year of construction the nation's public schools are still short 127,200 classrooms, the Office of Education reports.

It added that the pace-setting year of school building did make some headway in cutting down the room shortage but that the gain may be wiped away next fall by a flood of new pupils.

Based on a survey of state departments of education, the office said there were 37.5 million enrolled in the public schools last fall, an increase of 1.2 million over figures for the fall of 1960. Most of the increase was in secondary schools.

Layercake served at an afternoon or evening snacktime, should always be accompanied by dessert-size plates and forks.

Ever drench drained canned pears with grenadine syrup?

Female Roach Has Way of Enticing Mate

By THE ASSOCIATED PRESS
An antibiotic for plants, how a cockroach finds a mate in the dark, and frisky snowfleas are topics of scientific studies: For Sickly Plants

Before long, farmers and fruit growers may be able to give sickly trees and plants an assist with a dose of a new wonder drug, an antibiotic for plants, now being perfected by British scientists.

From a patient screening of 8,000 soil samples, they turned up venturicidin which, if present tests prove out, will be produced as an agricultural spray. Venturicidin is an antifungus, although not an antibacterial, and seems to be harmless to animals.

So far, the scientists reported in Nature magazine, it has been found effective in stopping apple scab, barley mildew, broad bean rust, gray mold, cucumber mildew, and other plant diseases. Cockroach Romance

A Harvard biologist has found out how cockroaches find a mate, in the dark.

When Dr. Robert Barth removed a pair of glands, called the corpora allata, from the necks of female cockroaches, the males ignored them. The glands, he explained, normally produce a hormone which triggers production of a chemical considered very agreeable by the male. When Dr. Barth replanted new glands in the females, they mated and produced normal eggs.

The female's odor, different for each species of cockroach, will attract nearby males. Snowflea Frolic

Don't tell the dog, but there's a hardy little gray-white insect called a snowflea that thrives in subzero temperatures and hops with the best of them, although without accuracy.

Actually, snowfleas won't bother animals, but it can be a pest by invading cold-water pipes in houses and sometimes find its way into refrigerators. But, the National Pest Control Association reports, such invasions are infrequent and can be controlled by exterminators.

Snowfleas are a type of spring-tail, that is, insects possessing a pair of spring-like tails that can be tripped when quick distance is required. Snowfleas can hop as much as a foot. Trouble is, they don't seem to have any control over the direction their springs will take them.

Quarters Allowance Hike Is Proposed

WASHINGTON (AP)—Secretary of Defense Robert S. McNamara has recommended increases in the quarters allowance for armed forces personnel. The cost would be about \$250 million a year.

Presumably the money is being requested in the military budget now being made ready for submission to Congress.

The increases are scaled to cover various ranks.

An example of the proposed increase is that for first sergeant or sergeant major. If he has no dependents he now gets a \$51.39 a month allowance, and would get \$85.20 under the proposed new scale.

With a wife and one or two children, he now receives \$77.10 and would get \$115.20. With a wife and three or more children, his present \$96.90 would go up to \$125.10.

At various times in the remote past, the North Magnetic Pole has visited Japan, Hawaii and Oregon.

Jimmy Durantes To Become Family with One Home Now

By BOB THOMAS

AP Movie, TV Writer

HOLLYWOOD (AP)—Notes and comment on the Hollywood scene: The James Durantes will no longer be a two-house family. Jimmy is solving the "dilemma" that has existed since he married Margie Little a year ago. She had a hilltop house and he had one on the flat, and neither wanted to give theirs up. So they lived in both.

"We're puttin' one of dem up fer sale," Jimmy said. "Which one? Margie's, of course. After all, I am still boss of de family—at least I was when I checked two days ago."

From now on Tony Curtis works only for himself—either in his own productions or partnership deals. He learned his lesson with "The Lady L", which tied him up for months and was never made by MGM.

"Complete chaos," he says of the experience. Chaotic or not, he

Governor Denies Intention Claim

COLUMBUS, Ohio (AP)—Gov. Michael V. DiSalle has denied (1) published reports that he has decided to declare his political intentions Friday and (2) rumors that President Kennedy has been advised that a poll shows Atty. Gen. Mark McElroy could beat DiSalle for the Democratic gubernatorial nomination.

Friday is the day before the President attends a \$100-a-plate birthday dinner for the governor, who announced Oct. 20 he would not seek re-election. DiSalle lately has admitted he could change his mind.

DiSalle said Tuesday he has been informed the President had no knowledge of the supposed poll. He said the White House information about the alleged poll came from Andrew Hatcher, presidential press aide.

The governor said of the reports of such a poll, rumored widely for weeks: "It's so hush-hush that nobody knows who is running it."

Relations Resumed

SOFIA, Bulgaria (AP)—Communist Bulgaria and Iran have agreed to resume diplomatic relations, the official news agency BTA reported today.

Secrest Gets State Post

COLUMBUS, Ohio (AP)—Robert T. Secrest of Senecaville is the new Ohio commerce director, succeeding Rankin M. Gibson who was appointed to the utilities commission.

Appointment of the former 15th District congressman from Guernsey County to the \$14,000-a-year commerce post was announced by Gov. Michael V. DiSalle Tuesday shortly after Gibson's shift was made public.

Secrest, 57, will assume office Jan. 15. John Hull, deputy commerce director, will be acting director in the meantime.

Secrest, born in Senecaville, served seven years (1954-61) as a member of the Federal Trade Commission. He won election as a Democrat to the state legislature in 1930 and to Congress in 1932. He resigned as congressman in 1942 to enlist in the Navy. He was a commander when discharged in 1946. Re-elected to Congress in 1946, he remained until former President Eisenhower named him to the trade commission.

Secrest, who is married and has three children, was principal of Senecaville High School for 4 1/2 years and superintendent of Murray City schools two years. He has degrees from Muskingum College, Washington College (law) and Columbia University (masters, political science).

Bills To Be Paid

BATAVIA, Ohio (AP)—After chronic money trouble all year, the Clermont County Commission has decided to pay \$60,146 in pending bills before making any appropriations for 1962.

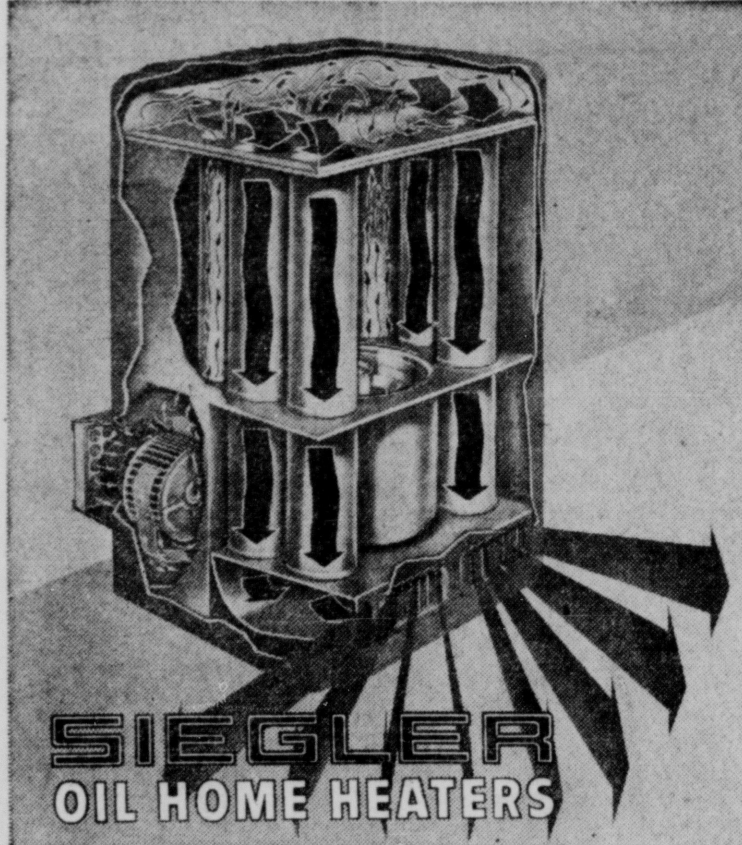

The commission noted only 513 new home permits were issued last year, lowest in seven years.

Why pay more? Penney's cotton terry towels have everything, and they're thrifty too! Man-sized, hefty, absorbent . . . fine quality that's sturdy, long-lasting! Rose, pink, white, yellow, green, dark green, orange, peach and brown.

Army Favors Mobile Units

Three Battle Groups Will Be Airlifted

WASHINGTON (AP) — The posting of two more U.S. Army battle groups in Germany will provide the makings of an air-transportable brigade that could deal with trouble in the Middle East, Africa or elsewhere.

The Army high command has wanted for some time to create independent brigades in West Germany and on Okinawa for such a purpose. The Okinawa-based brigade would be intended for use in the Far East and Southeast Asia.

The Pentagon announced Tuesday that three battle groups of the 4th Infantry Division, totaling about 6,000 men, will be airlifted to Germany for a NATO exercise from Jan. 16 to Feb. 12.

Two battle groups will remain there after the end of operation "Long Thrust II" for additional training as elements of the Army Strategic Reserve in Europe. The third will return to Ft. Lewis, Wash.

Later, reportedly after several months, the two battle groups will be rotated back to the United States and replaced by other units of the 4th Division. In all, the 4th Infantry has five battle groups.

The Defense Department said these elements would be available for use in an emergency.

Funds for two independent trouble-shooting brigades are said to be included in the new defense budget soon to go to Congress.

Army leaders have been thinking in terms of paratroop units for such an assignment.

Sources indicate the battle groups to be sent to Germany later this month might be used as an interim "fire brigade."

They noted that although these are conventional infantry, they can be lifted quickly over thousands of miles.

The battle groups being moved to Europe will take no dependents.

War over Berlin Now Appears Less Likely, but Tension Due

BERLIN (AP)—East-West war over Berlin appears less likely than a year ago but look for new periods of crisis and tension ahead.

That seems to be the feeling of both Berliners and some Western officials.

Two reasons are heard why war seems more remote than in 1961.

One is that Soviet Premier Khrushchev apparently takes more seriously than he did a year ago Western determination to defend West Berlin and its access routes. Khrushchev has withdrawn his deadline for signing a peace treaty with Communist East Germany and has not rattled his missiles recently.

The other reason is that the status quo in Berlin is more bearable to the Communists than the situation that existed a year ago.

Then thousands of refugees each month, including many technicians, teachers and students, were pouring out of East Germany through West Berlin. The satellite regime was threatened with collapse.

The Communists raised their border wall through the heart of the city in August. That dammed the tide of refugees to a trickle,

The World Today

By James Marlow

WASHINGTON (AP) — From now on, after a year in office, President Kennedy more and more will be compared in policies, performance and personality with men who had his job or have one like it.

Kennedy is more like former President Dwight D. Eisenhower and British Prime Minister Harold Macmillan than any other world leader of recent times.

Haughty, stubborn French President Charles de Gaulle is a complete opposite. So is earthy, bouncy, extroverted Soviet Premier Khrushchev. So is former President Harry S. Truman.

Truman was more outwardly aggressive and the result was a lot of conflict — for instance, with Republicans and particularly Sens. Taft and McCarthy — which he seemed to enjoy.

Some of his conflicts might have been avoided with different tactics but this is not to say he was wrong, given the time and circumstances of his presidency.

The country will be forever grateful to him for his decisiveness in beginning foreign aid, his military alliances and stiff-arming the Russians.

In all these areas, and a dozen others, there was conflict of one kind or another.

Much of his willingness to accept it and chance his political future on it no doubt was in part a product of his early background in Missouri precinct politics.

He played politics the way it had been played for generations. But that way may not be seen again for some time if only because the circumstances of the presidency are different.

In the Truman years and all those that preceded it—before a trigger-pull on hydrogen missiles could devastate a continent—a president could afford to occupy himself more with domestic politics.

Some other possibilities may also explain the change which has taken place in the presidency as demonstrated by Kennedy and Eisenhower. For instance:

1. American politics may be entering a more sophisticated period when the traditional cat-and-dog fights between a president and his opposition look old fashioned and time-wasting.

But more than the Kennedy-Eisenhower presidencies will be needed to show whether this is the case.

2. It may be simply that Ken-

nedy and Eisenhower either think it shrewder and in the long run more fruitful to compromise and avoid brawls or they just don't have the stomach for slam-bang fights.

To put it another way, it seems to be a necessary part of their nature to avoid embroilments. Eisenhower did that with Taft, McCarthy, and with everyone else when he could.

But then, of course, he didn't come up through the American political system, either. Even as a general he had made a reputation for avoiding open breaks and in getting opposing factions to work together.

This is how he operated with his Democratic opposition. It is clear, after a year in office, that Kennedy is following with his Republican opponents the same course Eisenhower pursued with the Democrats.

Even though this is a con-

gressional election year and he wants more Democrats in the Capitol, an authoritative source at Palm Beach let it be known Kennedy is making a peace offering to Republicans before Congress opens for 1962: he won't do any heavy politicking.

Eisenhower went less than all-out on some of the programs he asked Congress to pass. Kennedy already has shown a great willingness to compromise.

Both men, like Macmillan of Britain, have shown an immense desire to avoid personal conflicts, which in a way is a good method of staying popular.

On the other hand: at a time when the Russians have weapons just as sudden and terrible as this country's, both Eisenhower and Kennedy must have felt the day-by-day American political slugging of the past is small potatoes compared with the greater conflict with communism.

Violence Flares

In Algeria Cities

ALGIERS (AP)—Nine persons were killed and scores more were wounded Tuesday in attacks by Europeans and Algerian nationalists.

Violence has been rising in intensity during recent weeks as the Europeans attempt to block French President Charles de Gaulle's plans to grant Algeria independence.

Terrorist incidents occurred in Algiers, Oran, Constantine and Bone.

Frustrated Twice

CARTERSVILLE, Ga. (AP) — Frustrated in their attempts to crack the company safe, burglars drove off with a new car parked in the show window of a local motor company. Officers recovered the car today about 10 miles away, abandoned and out of gas.

Portuguese Press Hunt For 16 Rebels

LISBON, Portugal (AP) — The Portuguese Army Ministry today accused the underground Communist party of planning and leading the unsuccessful New Year's Day attempt to launch a revolt against Premier Antonio Salazar's regime.

"According to information and statements already collected from some participants in the Beja attempt at sedition, the conclusion is that it was an action planned and led by the Communist party, within a general plan of promoting unrest in Portugal," the communique said.

The communique said no other unrest or violence was reported from other military establishments.

At least 16 rebels who took part in the revolt attempt were still at large and the government pressed a hunt for them.

Authorities claimed only about

40 men took part in the attempt to seize the army garrison at Beja early Monday. Officials clamped tight security measures on known avenues of escape along the Spanish frontier in efforts to round up remnants of the gang. All police and military units remained in a "state of precaution."

The government said two insurgents were killed and 22 captured—including the two leaders of the band—in the uprising which collapsed after a three-hour gun battle with troops of the 3rd Infantry Regiment stationed in the Beja barracks.

Thousands of persons lined a 75-mile funeral route Tuesday as a cortege bearing the body of Lt. Col. Jaime Filipe da Fonseca, the army undersecretary, moved from Lisbon to Fonseca's home town of Leiria for burial.

Fonseca rushed to Beja after hearing of the revolt and was

shot when he walked into the barracks and demanded that the rebels surrender.

Authorities said the captured conspirators would face prison terms of from 4 to 20 years if convicted, in addition to the loss of political rights and indefinite security surveillance.

Soldier from Ohio

Believed Drowned

HONOLULU (AP)—A 20-year-old Willoughby, Ohio, soldier is believed to have been swept out to sea by undercurrents and drowned New Year's Eve.

The Army reported Tuesday that a search for the body of PFC Warren Bishop, lost on an outing at Sunset Beach, Oahu Island, was unavailing.

Bishop's Willoughby address was 3667 Hillward Drive.

Dumford Candidate For Treasurer Job

COUMBUS, Ohio (AP) — Russell Dumford of Lebanon became a formal candidate for state treasurer today when he filed his petition for the Republican nomination with Secretary of State Ted W. Brown.

Dumford, 57, is in his third term as treasurer of Warren County. He reported filing petitions from each of the 88 counties containing

a total of 5,000 signatures.

Dumford, a Dayton native, was president of the State Association of County Treasurers in 1958.

Frogs, toads, newts and salamanders are the most common amphibians. They represent an intermediate stage of development between fishes and reptiles.

Vo Ag Plan Slated

CLEVELAND (AP)—Classes in a pilot program in vocational agriculture will start at West Technical High School Jan. 29.

Graduates of a proposed two-year horticultural training program would be trained for jobs in vegetable and floral greenhouses, on truck farms, in landscape gardening and forestry. Costs for the first semester will be borne by the State Department of Vocational Education.

Automatic Excommunication Is Faced by Castro Regime

VATICAN CITY (AP) — A high Vatican prelate said today that Fidel Castro and certain officials of his regime have fallen under automatic excommunication.

Archbishop Dino Staffa, a leading expert on canon law in the Vatican secretariat of state, said excommunication had been incurred by Castro and all Cuban officials responsible for "impeding and imprisoning" Roman Catholic bishops in Cuba.

The statement by Archbishop Staffa was not a formal announcement but was given in reply to a newsman's questions.

Archbishop Staffa, who is secretary of the Vatican's Sacred Congregation of Seminaries and Universities, said the excommunication had been incurred without formal announcement by the Vatican.

He said announcement of excommunication in these cases is

normally made by the Pope himself. Vatican sources speculated that Pope John XXIII had made no announcement in an effort to avoid further strain in relations between the Vatican and Cuba.

Archbishop Staffa said bishops had been impeded in their work in Cuba and had been imprisoned. He declined to give details.

Bishop Eduardo Boza Masvidal was expelled from Cuba along

with 135 priests last September. At that time Vatican sources said Castro and his officials might have incurred automatic excommunication.

Effects of excommunication, briefly, are loss of the sacraments of the church and, in a broad sense, ostracism from the church of any person so punished. Pardon for this type of excommunication can be given only by the Pope or his delegate.

Spy Ring Check

LONDON (AP)—British security agents are reported investigating a new Soviet spy ring masquerading as servants in the homes of British scientists and military men.

Gnu Is New at Zoo

JACKSONVILLE, Fla. (AP) — Something new—a gnu—is due at the Jacksonville zoo today.

The gnu is an ox-headed, long-maned, long-tailed, antlered animal. It will be the first gnu at the zoo.

HERE'S HAPPY NEWS FOR MEAL-PLANNERS AND BUDGET-BALANCERS!

A MORE-FOR-YOU YEAR at A&P!

There's no time like the first week of the year to start getting more good foods for your money! And to do that with ease — simply fill your food order at A&P this week! What a great and grand variety of values you'll be able to choose from: hundreds of famous-quality food brands to help make meal-planning so much easier . . . and hundreds of low, low prices to keep your budget on an even keel. But all these fine values are just the happy beginning of what's in store for you all year at A&P. There'll be more for you in '62 — come see!

Developed in United States, Bowling Becomes Universal

PIN POPULARITY — Bowling is fast becoming one of the world's most widely-enjoyed games. Shown here is the new Osaka, Japan, keg center with Reiko Dan, Japanese film star, ready to fire a strike in inset. Alleys are springing up from Algeria to Australia.

EDITOR'S NOTE: This is the first in a four-part series by Central Press staff writers discussing bowling's increasing popularity all over the world.

Like many other American exports, the sport of bowling is receiving general acceptance in all parts of the world. In fact, leading bowling authorities envision the day may come when the ten-pin sport will become the foremost universal game.

The Brunswick Corporation, through its president, B. E. Bensinger, has stated that this world-wide acceptance has led his firm to open manufacturing and distributing operations in many European and Asian countries, as well as Latin America.

Sportsman Award To Jerry Lucas

NEW YORK (AP) — Jerry Lucas, Ohio State University basketball star, was named "sportsman of the year" today by the editors of Sports Illustrated magazine.

The magazine described Lucas as "the best amateur basketball player in the world, and a student, a perfect team man, a wholesome example of fitness, awareness and common sense."

Lucas, a member of the 1960 Olympic basketball team, will receive the magazine's trophy.

Bensinger also reported that bowling centers — both military and commercial — are now found in more than 50 countries. High on the list of bowling enthusiasts are the people of Mexico, England, Scotland, Venezuela, Puerto Rico, Japan, and Germany.

The leading bowling equipment manufacturer's president went on to explain why the "bowling bug" has bitten so many people outside the United States: He says:

"WHILE BASEBALL and basketball have made inroads on the international scene, both sports require advanced skill in order to participate, and most of the people in the world would rather play than watch. Bowling does not call for any particular athletic prowess or expensive personal equipment. Anyone, anywhere, can walk into any bowling establishment and for a few pennies, marks, pesos, francs or yen, can rent bowling shoes, the only personal equipment necessary. Bowling balls, of course, are on the house. No other sport is so simple to participate in."

This growing acceptance of bowling overseas may produce a crop of tenpin champions who will one day face bowling's current big names for the top honors of the sport.

For instance, Alfons Hammerl, a prominent athlete in the German sport of "eisschiessen"

(ice-shooting) rolled a 181 score in his first try at the tenpin game. His accomplishment was at the grand opening of a new bowling center in Munich, Germany.

The score was high among 600 contestants and earned the heavy construction worker an expense-paid trip to America.

Most American bowlers would say that Hammerl's technique is highly unorthodox, yet the fact that he was able to record six strikes during his 190 game leads many experts to believe that with training and practice he could be right up there with U. S. champions as Don Carter, Ray Bluth, Buzz Fazio and Steve Nagy.

THE "Hammerl method" consists of a stroll to the foul line with the ball at his side, a quick glance and wave back to his wife, and then from this upright position, a powerful, yet accurate, toss of the ball toward the pocket.

Except for these individualistic styles, international bowling does not deviate greatly from the scenes in Crystal Lake, Ill., Norwalk, Calif., or Memphis, Tenn. The bowling centers feature modern Automatic Pinsetter equipment and have adopted many American customs such as nurseries for the children with closed-circuit TV so that the kids are never out of parental view.

Another American carry-over are the snackshops where bowlers congregate with friends over a beer, glass of wine, or cup of tea. The refreshments and costumes may be different, but the sport's the same.

From Accra, Ghana, to Melbourne, Australia, the "bowling bug" has gone international.

Kentucky Fires Blanton Collier

LEXINGTON, Ky. (AP)—Kentucky began looking for a football coach today after the university's athletic board fired Blanton Collier, the softspoken coach who replaced Paul (Bear) Bryant.

The board voted Tuesday to buy the remaining three years of Collier's contract, saying its decision was by "mutual agreement" with Collier. His salary was reported at \$17,500 annually.

The board only five weeks ago gave Collier a vote of confidence. Collier, 55, who came to Kentucky in 1954 and compiled a 41-36-3 record, said he had no immediate plans for the future.

Bryant, who came to Kentucky in 1946, pulled the Wildcats out of the football doldrums and led them to three major bowls—the Orange, Sugar and Cotton—in successive years. He left in 1953 to take the head coaching job at Texas A&M and now is at Alabama.

The Wildcats were 5-5 last season.

Spring Show Aim of CVRC

Preliminary plans for a gala spring horse show topped the business agenda during a recent meeting of the Circle Valley Riding Club in the VFW recreation room.

Chester Yaple, club president, noted similar shows last year received encouraging attendance support. He predicted interest in riding activities in this area would continue to grow.

Preceding the business session members enjoyed a carry-in dinner and light social hour featuring dancing and games.

Attending the meeting were Mrs. Bonnie Frazier, Miss Jackie Frazier, Mark Call and son, Dennis, Jeff Dunlap, Jim Cassidy, Harold Temple, Dr. Dunlap, Mr. and Mrs. Ronald Eldridge and daughter, Karen, Chester Yaple, Jacob Hedges, and Mr. and Mrs. Roger Valentine and family of Tarleton.

Lancaster Sherman Here Thursday for Two Cage Contests

Circleville's junior high and freshmen basketballers, raring to return to action after the long holiday break, face a stiff test of their abilities tomorrow afternoon at Lancaster General Sherman.

Both Tiger squads lifted the lid on the season Nov. 30 by turning back Sherman outfits in matches played in the CHS gym. The Tiny Tigers of coach Paul Sarchet thumped Sherman's juniors 36-24 behind Howard Dade's one-man scoring show while Circleville's yearlings registered a 34-26 decision.

After the Sherman bouts, starting at 4 p. m., the junior high and frosh will be idle until Jan. 11 when Chillicothe Mt. Logan comes here.

Whitehall, GC Mat Teams Host Tigers

A solid Whitehall team hosts Circleville High School's varsity wrestlers at 4:30 p. m. tomorrow as the scholastic grappling season moves back to normal after a flurry of holiday activity including the Circleville Invitational last Saturday.

Reports have indicated Whitehall boasts strength in several weight classes. The CHS Tigers are in "good shape" after placing second behind a strong Dayton Mad River outfit in the six-team Invitational here.

Few, if any, changes are planned now for the Red and Black lineup. After the Whitehall match Circleville gets just a one-day breather before locking horns with Grove City in another away bout Saturday.

Grove City finished with Grandview in a tie for fourth in the Invitational Saturday, carding 37 points. Circleville had 79.

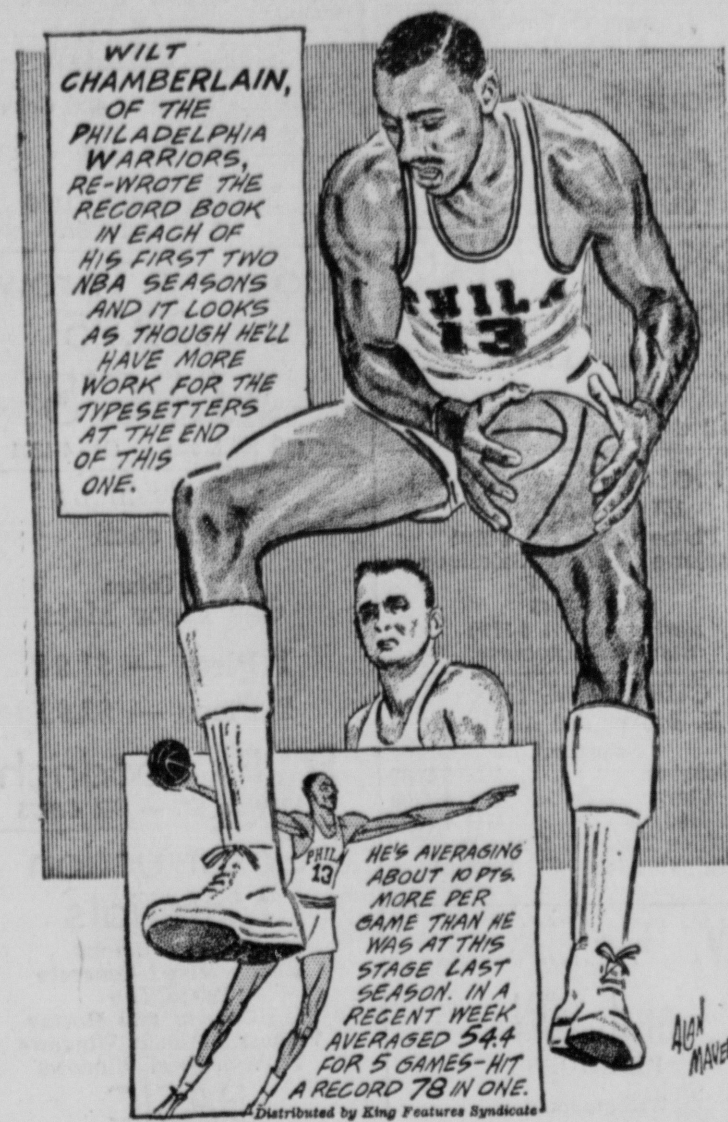

The New York Mets, new National League team, have obtained Billie Loes from the San Francisco Giants on a conditional basis.

CERTAINLY NOT WILT-ING - By Alan Maver

Cage Fans Offered King-Size Helping of Weekend Matches

Basketball fans who like their cage sport in giant-size helpings should find this weekend the best so far of the current season.

No matter what your team allegiance throughout Pickaway County and the surrounding area, Friday brings a hardcourt test for your favorites as 10 matches are on tap.

Topping the choice listing of cage play is Circleville's all-important South Central Ohio League bout at Wilmington. Coach Jack Weikert's Tigers have to win this one to stay in the running for a contender spot in loop play.

In games to be offered within the county's confines undefeated

Ashville collides with Darby's Trojans at the Fairground Coliseum, Monroe drops in on Charlie Baxter's Scioto Buffaloes, Logan Elm will contend with home team Williamsport and Walnut meets Jackson.

OTHER AREA action pits Amanda - Clearcreek against host Bremen, The Plains of Mt. Sterling against Darby Valley League foe West Jefferson, Laurelville's Wildcats against visiting Zaleski, Buckskin at Kingston and Bob Sigler's Centralia Bulldogs at powerful Chillicothe Catholic Central.

Saturday will also bring a balanced cage card for area fans.

Ashville makes use of the Coliseum again to test Madison South in a DVL game while Scioto is at home against Walnut. Amanda - Clearcreek and Centralia go at it on the Aces' floor while Laurelville journeys out in hopes of faring well against Shawnee. Kingston comes into Pickaway County a slight favorite over Monroe.

Circleville and the remainder of county and area squads will be idle. CHS gets its next ticks in Jan. 12 when a so-so Pleasant View outfit provides the SCOL opposition in a tilt slated for the Tigers' home court.

Jucker Unhappy With Technicals

CINCINNATI (AP) — Coach Ed Jucker doesn't think much of the four technical fouls called against him in Missouri Valley Conference basketball games involving his Cincinnati Bearcats.

He contended Tuesday the conference chief, Norval Neve, has one set of rules "which are different from the national rules and another set of rules for UC games."

Neve, at home in Kansas City, declined Tuesday night to comment on Jucker's criticism, but pointed out the conference itself has insisted its coaches set an example of admirable conduct.

Neve said, "Coaches can't go through a lot of antics to excite the crowd, and if they do, the officials must call a technical foul without warning."

Jucker told the Booster's Club Tuesday that he was hit with two technical fouls for standing up in the game Cincinnati lost to Wichita while films showed the Wichita coach, Ralph Miller, was standing in front of the scorer's table.

Jucker, whose team won the Holiday Festival Tournament in New York last weekend, said officiating there was fine.

Longest scoring play in the Big 10 in 1961 was 100 years. It occurred when Joe Williams of Iowa returned a kickoff against Notre Dame.

Wilma Winner Of High Award

NASHVILLE, Tenn. (AP)—Wilma Rudolph Ward, winner of three Olympic gold medals and Associated Press woman athlete of the year for 1960 and 1961, has won the James E. Sullivan award for 1961.

"This is the greatest honor in the world for her," said Ed Temple, her coach at Tennessee State. "This is the toppest—the one I've been waiting to hear about for a long time."

Mrs. Ward herself was en route home from Linden, N.J., where she and her husband, classmate and track team member William Ward, spent the holidays with his parents. The newlyweds hope to compete together in track events.

Mrs. Ward, 23, is the third woman to receive the Sullivan Award in the 32-year history of the recognition by the Amateur Athletic Union. The Tennessee State senior collected 1,627 points, the fourth highest total ever in the poll of former Sullivan winners, amateur sportsmen, sports writers and sportscasters.

She was runnerup to Rafer Johnson last year. This year Tommy Kono, world champion weightlifter from Honolulu was second followed by world broad jump record holder Ralph Boston, also of Tennessee State.

Thursday Mrs. Ward will be in Milwaukee to receive The Associated Press award.

The Sullivan Award is presented annually by the AAU "to the amateur athlete who, by performance, example and good influence did the most to advance good sportsmanship throughout the year."

Jerry Lucas, Ohio State's All-America basketball star, was fourth in the balloting, and Indiana University swimmer Chet Jastremski of Toledo, Ohio, was fifth.

The 12th hole at the new Doral Country Club in Miami, Fla., is 614 yards long.

PIN BRIEFS

Pick Mixed Doubles

High individual one game — Webb Haynes, with 225; top individual three matches — Joan Richardson, with 572 at Prairie Lanes.

Best team singles — Mayberry-Dreisbach-Haynes, with 737; High team series — Richardson-Styers, 2,079. All league scores computed with handicaps.

Ladies Tuesday

Top individual singles — Roselle Brown, 174; high individual three contests — Penny Dietrich, with 462 at Circle D Lanes.

Best team one game — Reid's Insurance, 727; high team series — Cook's Insurance, with 2,030

Rose Bowl Pact Said Imminent

PASADENA, Calif. (AP)—The Big Ten and Big Five conferences apparently are in agreement over a contract for an annual Rose Bowl football game.

Representatives of the two athletic organizations discussed at length Tuesday the possibility of reinstating the old contract they operated under for 13 years before its expiration after the 1960 Rose Bowl game.

There probably will be one major difference, however. The Big Ten intends to adhere to its no-repeat rule, but the Big Five—with fewer teams—probably will not. Under the no-repeat clause Minnesota would not be eligible for the 1963 Rose Bowl game, were it to win the Big Ten title again next fall. Its last two appearances were on a special invitation basis.

Lathrop Leishman, chairman of the Tournament of Roses Football Committee, said he expected no complication in signing of a new pact because "our relations with the Big Ten have been so admirable. These things always take time."

Developed in United States, Bowling Becomes Universal

PIN POPULARITY — Bowling is fast becoming one of the world's most widely-enjoyed games. Shown here is the new Osaka, Japan, keg center with Reiko Dan, Japanese film star, ready to fire a strike in inset. Alleys are springing up from Algeria to Australia.

EDITOR'S NOTE: This is the first in a four-part series by Central Press staff writers discussing bowling's increasing popularity all over the world.

Like many other American exports, the sport of bowling is receiving general acceptance in all parts of the world. In fact, leading bowling authorities envision the day may come when the ten-pin sport will become the foremost universal game.

The Brunswick Corporation, through its president, B. E. Bensinger, has stated that this world-wide acceptance has led his firm to open manufacturing and distributing operations in many European and Asian countries, as well as Latin America.

Bensinger also reported that bowling centers — both military and commercial — are now found in more than 50 countries. High on the list of bowling enthusiasts are the people of Mexico, England, Scotland, Venezuela, Puerto Rico, Japan, and Germany.

The leading bowling equipment manufacturer's president went on to explain why the "bowling bug" has bitten so many people outside the United States. He says:

"WHILE BASEBALL and basketball have made inroads on the international scene, both sports require advanced skill in order to participate, and most of the people in the world would rather play than watch. Bowling does not call for any particular athletic prowess or expensive personal equipment. Anyone, anywhere, can walk into any bowling establishment and for a few pennies, marks, pesos, francs or yen, can rent bowling shoes, the only personal equipment necessary. Bowling balls, of course, are on the house. No other sport is so simple to participate in."

This growing acceptance of bowling overseas may produce a crop of tenpin champions who will one day face bowling's current big names for the top honors of the sport.

For instance, Alfons Hammerl, a prominent athlete in the German sport of "eisschiessen"

(ice-shooting) rolled a 181 score in his first try at the tenpin game. His accomplishment was at the grand opening of a new bowling center in Munich, Germany.

The score was high among 600 contestants and earned the heavy construction worker an expensive trip to America.

Most American bowlers would say that Hammerl's technique is highly unorthodox, yet the fact that he was able to record six strikes during his 190 game leads many experts to believe that with training and practice he could be right up there with such U. S. champions as Don Carter, Ray Bluth, Buzz Fazio and Steve Nagy.

THE "Hammerl method" consists of a stroll to the foul line with the ball at his side, a quick glance and wave back to his wife, and then from this upright position, a powerful, yet accurate, toss of the ball toward the pocket.

Except for these individualistic styles, international bowling does not deviate greatly from the scenes in Crystal Lake, Ill., Norwalk, Calif., or Memphis, Tenn. The bowling centers feature modern Automatic Pinsetter equipment and have adopted many American customs such as nurseries for the children with closed-circuit TV so that the kids are never out of parental view.

Another American carry-over are the snackshops where bowlers congregate with friends over a beer, glass of wine, or cup of tea. The refreshments and costumes may be different, but the sport's the same.

From Accra, Ghana, to Melbourne, Australia, the "bowling bug" has gone international.

Kentucky Fires Blanton Collier

LEXINGTON, Ky. (AP)—Kentucky began looking for a football coach today after the university's athletic board fired Blanton Collier, the softspoken coach who replaced Paul (Bear) Bryant.

The board voted Tuesday to buy the remaining three years of Collier's contract, saying its decision was by "mutual agreement" with Collier. His salary was reported at \$17,500 annually.

Views on TV - Radio

By CYNTHIA LOWRY
AP TV-Radio Writer
NEW YORK (AP)—One easy way to repair a midseason hole in a TV schedule is to plug it with a nighttime version of a daytime show.

On one occasion, this economical expedient even turned into a hit show—NBC's "The Price Is Right." It is doubtful, however, that the same lightning will strike CBS' prime-time edition of "Password," which started Tuesday night.

The game itself—a sort of word association gimmick—is slight and far from gripping. Any fun and excitement must come from the skill of the players. In the first show, Carol Burnett carried the entertainment load by herself in spite of the presence of Garry Moore and two other players.

One vital reason for the continued success of "The Price Is Right" is that the home audience can bid along with the studio contestants. That's not possible with "Password." Anyway, the show is not right for evening, although it is a pleasant enough time-killer earlier in the day.

Fred Astaire's ABC anthology series Tuesday night was a short, offbeat vignette with an intriguing title, "The Cake Baker." It was a sad little story of a lonely young woman, silently escaping the boring confinement of housework and child rearing by daydreaming.

She tries to get back to normal by plunging into PTA work. But her husband, inconvenienced and not understanding, destroys her one chance to regain mental health. At the end, she apparently has slipped away from harsh reality for good.

Shelley Winters played the mentally disturbed wife quietly and effectively.

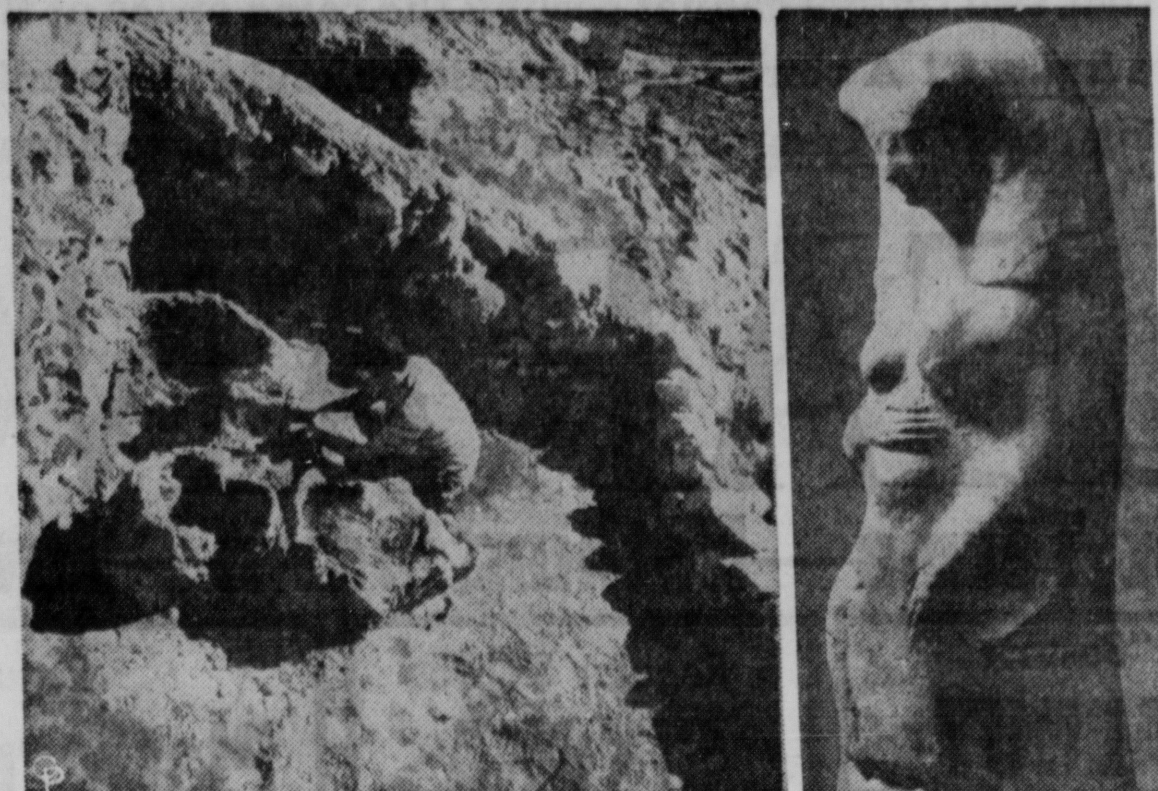

Monday's flower-covered Rose Parade from Pasadena was also covered with free plugs, separated by the paid commercials.

Cowboy stars—including some most of us had never heard of—were riding their horses past the cameras hoping for—and receiving—a word about their shows.

There were floats from trucking associations, insurance firms, cities interested in tourist trade and others, in such profusion that the orange juice and cereal sponsors of the two network shows sort of got lost in the shuffle.

Recommended tonight: "Checkmate," CBS, 8:30-9:30 (EST)—Jack Benny is guest star.

Mickey Wright finished the 1961 golf tour by running her string to 48 tournaments in which she has been in the money. She was in the money in all 24 PGA tourneys in 1961.

UNCOVER BURIED HOLY LAND TOWNS—A member of the Hebrew University archaeological expedition in Jerusalem examines (left) some primitive ovens at the Tel el Jurn excavation project on the southeast bank of the Sea of Galilee. Important new discoveries are expected in 1962 following the finding of five towns, each one built on the ruins of the other. A variety of treasures already found indicate that many peoples and governments ruled the Holy Land area long before the Hebrews. At right is a statuette representing fertility, believed to date from the 5th century B.C.

Back-of-Year Grid Honors Go to Davis

By THE ASSOCIATED PRESS
Ernie Davis, closing out his brilliant varsity career in a series of postseason games and heading into what promises to be a shining pro career, continues to reap honors as the most celebrated college football performer of 1961. The Syracuse star's latest distinction was being named back-of-the-year in the annual Associated Press year-end poll Tuesday.

Davis beat out the three other All-America backs in the voting, being chosen by 43 of the 212 sports writers and broadcasters on the panel. Bob Ferguson of Ohio State and Jim Saxton of Texas tied for second in the balloting with 34 votes each, and Minnesota sparkplug Sandy Stephens was next with 29.

In three seasons at Syracuse, Davis was the key man on teams that won 24 of 29 games, captured the national title with a 10-0 record in 1959 and also posted two postseason victories, against Texas in the 1960 Cotton Bowl and over Miami, Fla., in last month's Liberty Bowl. An elusive and strong runner, the 210-pound half-back rushed for 823 yards and scored 94 points this past season, surpassing school records established by the fabulous Jimmy Brown. He finished his collegiate career with 2,386 yards running and 220 points scored.

Since then Davis has been awarded the Heisman Trophy as the country's top player and has signed a three-year National Football League contract calling for \$80,000 with the Cleveland Browns. In the pros, he will join Brown to form what shapes up as a devastating one-two running punch.

OSU Probably Will Accept Bowl Funds

COLUMBUS, Ohio (AP)—Ohio State University probably will accept its share of the Rose Bowl receipts, a university official said Tuesday.

A share, the same for all Big Ten schools, is about \$25,000. The OSU Faculty Council, whose vote this fall nixed a Rose Bowl trip for the Buckeye football team, voted last year to accept money from the game last New Year's Day.

Richard Armitage, associate dean of the graduate school, said he doesn't think the Faculty Council will even consider the matter this year, but will simply let the money come in.

Mary (Mickey) Wright became the only woman golfer to score the Grand Slam when she won the 1961 USGA Open, LPGA and Titleholders championships. Her feat is comparable to a male winning the Open, PGA, and Masters titles the same year.

Back-of-Year Grid Honors Go to Davis

By THE ASSOCIATED PRESS

Ernie Davis, closing out his brilliant varsity career in a series of postseason games and heading into what promises to be a shining pro career, continues to reap honors as the most celebrated college football performer of 1961. The Syracuse star's latest distinction was being named back-of-the-year in the annual Associated Press year-end poll Tuesday.

Davis beat out the three other All-America backs in the voting, being chosen by 43 of the 212 sports writers and broadcasters on the panel. Bob Ferguson of Ohio State and Jim Saxton of Texas tied for second in the balloting with 34 votes each, and Minnesota sparkplug Sandy Stephens was next with 29.

In three seasons at Syracuse, Davis was the key man on teams that won 24 of 29 games, captured the national title with a 10-0 record in 1959 and also posted two postseason victories, against Texas in the 1960 Cotton Bowl and over Miami, Fla., in last month's Liberty Bowl. An elusive and strong runner, the 210-pound half-back rushed for 823 yards and scored 94 points this past season, surpassing school records established by the fabulous Jimmy Brown. He finished his collegiate career with 2,386 yards running and 220 points scored.

Since then Davis has been awarded the Heisman Trophy as the country's top player and has signed a three-year National Football League contract calling for \$80,000 with the Cleveland Browns. In the pros, he will join Brown to form what shapes up as a devastating one-two running punch.

OSU Probably Will Accept Bowl Funds

COLUMBUS, Ohio (AP)—Ohio State University probably will accept its share of the Rose Bowl receipts, a university official said Tuesday.

A share, the same for all Big Ten schools, is about \$25,000. The OSU Faculty Council, whose vote this fall nixed a Rose Bowl trip for the Buckeye football team, voted last year to accept money from the game last New Year's Day.

Richard Armitage, associate dean of the graduate school, said he doesn't think the Faculty Council will even consider the matter this year, but will simply let the money come in.

Mary (Mickey) Wright became the only woman golfer to score the Grand Slam when she won the 1961 USGA Open, LPGA and Titleholders championships. Her feat is comparable to a male winning the Open, PGA, and Masters titles the same year.

City Fire Loss Down for 1961

Record May Be
Near State Low

Circleville has just experienced one of its safest years in recent history from a fire loss and cost standpoint. Fire Chief Talmer Wise told City Council members during a meeting last night.

On 78 calls within the corporation limits in 1961 the total loss amounted to only \$1,165 in fire destruction. This may prove to be one of the most impressive records in Ohio. Wise added, noting comparative figures on other cities should be available soon.

The disheartening trend toward higher fire totals was reversed dramatically last year the chief's summary showed. The 78-call figure was about 40 fewer than in 1960. Previously the number of fire runs had tended toward a steady yearly rise.

In all the fire department answered 251 local calls in 1961. Aside from the city fire total these included 146 emergency ambulance runs, 10 fire calls in Washington Twp. and 11 in Circleville Twp. and six requests to unlock doors.

THE RURAL fire loss for the two townships serviced under contracts by the Circleville Fire Department was set at \$9,495 for the 21 blazes.

The department also was summoned five times to assist other neighboring firefighters with large conflagrations. And twice Circleville's finest smoke-eaters roared from the E. Franklin St. engine house to remove someone's pet

Red Cross Program Termed Successful

The Voice from Home program conducted by the Pickaway County Chapter, American Red Cross, during December, was termed "most successful" by the Board of Directors.

Nineteen families took advantage of the opportunity to make a tape recording and have a picture taken to be sent to their servicemen who would not be able to spend Christmas at home.

Special thanks were due several individuals and groups who cooperated to make the project possible: Robert Wolford, who donated the tape and the use of his recorder; Eddie Wright and Jack Mader, members of the high school

audio-visuals group, who operated the recorder; Mike Wilson provided and operated the camera to take all the pictures. Miss Judy Lawson, Miss Pam Sweeney, Miss Cathy Griner and Miss Juanita Johnston, members of the Senior Girl Scout Troop assisted as hostesses during the two days of recording.

The chapter hopes to be able to provide this service each year at Christmas time, officials added.

Dominican Sanctions Removal Studied

LOS ANGELES (AP)—Harriett Burns, widow of comedian Bob Burns, has claimed the body of her daughter, Barbara Ann.

Barbara, 23, died Monday of an overdose of barbiturates, her third since August. She had a history of narcotics arrests and served two 90-day terms—one in jail, one in a state hospital—for addiction.
